The Honorable Shelley C. Chapman

In regards to the International Union,  
Working to launch a Corporate Campaign  
against Peabody, Arch and Patriot.

My late husband, Ernest Eugene Hile,  
worked for Peabody Lygonville W. Mine  
for 25 yrs. He passed away in 1990 with  
lung cancer. I am 82 yrs. old Dec. 22, 2012.  
I have bad legs and have a stent in right  
leg. I depend on Health Insurance.

If all companies would take as  
good of care of employees as UMW &  
the country would be in a much  
better place. It's an age old problem;  
the <sup>big</sup> companies never want to take of the  
workers that worked hard to make their  
companies bigger. Juanita June Hile
