Honorable Judge,

I am writing in regards to the issue of possibly losing our insurance coverage due to **Bankruptcy**. I am a **UMWA** member and my wife and myself have been very dependent on good coverage thru our provider.

I am 75 years of age and my wife is 71 years old. We both have had numerous health problems and surgery's with the most serious, being **Breast Cancer** and **Prostate Cancer**.

Without our good coverage, we would most certainly be much in debt and most likely on **Government Assistance**. Loss of coverage would most certainly result in hardship for us.

Would you please consider ruling in our favor for which we would be most pleased.

We are praying for God's intervention in this matter.

Thank you,

Sincerely Submitted
