The Honorable Shelley C. Chapman:

"In regard of Patriot Coal Bankruptcy."

I am a 60-year old widow of a over 20-year underground, union coal miner. I have several health problems, going thru process of several tests. I don't know, what I will do if I lose my health insurance and pension. I am on a fixed income, barely getting by, pay-day to pay-day, now.

I hope you will consider the retirees, widows, etc... and what will happen to the elderly. Most, at this age are sick and under the care of Doctors. I know, I'm under a lot of stress.

Thanks for taking a few minutes out of your busy day to read my letter.

Sincerely,
Teresa Sizemore
