The Honorable Shelley C. Chapman,

We have worked many hours and years to receive our benefits. Now that we are old and ill they want to kick us aside. I have asthma and am under a doctor's care and my wife suffered a stroke in March and cannot be left alone. She also suffers from chronic obstructive pulmonary disorder. We take many prescriptions and without our benefits we would not be able to take our medicines. We could not afford them. Without our benefits we will be devastated.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Richard A. Behnken".
