Your Honor, I am a retired miner 79 years old, my Wife will be 77 in December. This letter is sent to you in hopes that you will do the retired miner a just decision concerning Patriot Coal Bankruptcy. I'm a member of local 5958, retired from Arch Of WV, which now is called PATROIT COAL. I LIVED AT 411A Palmer Av. Logan WV. 25601--And worked many years at different things, moved here in TN, 3 Months ago.

In a time when the country is going through difficult times. Please consider the Retirees who will be affected by decisions which will make life harder than ever. We've worked faithfully, and tirelessly, and life is not always easy as a miner, earning what we expected to be there in our late years. Thank you and may God bless you as you administer justice in this matter.
