Dear Judge Chapman,

I am writing in regard to the Patriot Bankruptcy & my U.M.W. health care benefits. I was a miner for 30 years, retiring in 1991.

I have serious lung problems. Also heart conditions that must be treated regularly. If I lost my miners health care it would be tragic to me & also to my wife who is on the miners health care also.

She is a 3 time survivor of cancer. & has to take special medications. which we alone could not afford. We are so thankful for our insurance.

We understood that we would have our miners insurance for as long as we lived.

We appreciate your help & concern with the Patriot Bankruptcy & my U.M.W. health care benefits.

When angels whisper,  
it's like a gentle prayer  
lifted up to heaven  
to keep us in God's care.

Thank you so much,  
with Best regards.
