

To:

The Honorable Shelley C. Rapman

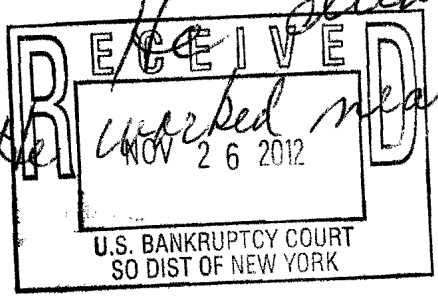

I am a widow.
And I have serious health conditions.
I need my Health Ins. Card.
I am not old enough for Medicare.

I depend on my Pension.
Without it, I won't be able to buy
enough groceries, or pay my bills.

Note:

My late Husband, Dallas Hayes White
always said he wanted to leave
me with good Health Ins. if he went first.
Sadly missed:

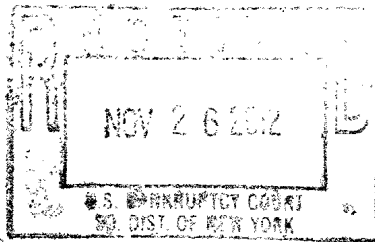

He died of Lung Failure.
He worked near 40 yrs. at the mines.
