

To The Honorable Shelly C. Chapman

Your Honor I just wanted to send you one more letter concerning the Patriot Bankruptcy one thing I don't understand why I'm in it at all because I never worked (1 sec.) for Patriot coal never heard of them till 2009 all my years of mining were with Peabody Coal Co.

But here is the real reason I'm writing this 2nd. letter as I ~~write~~ write the letter my wife of soon to be 48 yrs. is laying in St Thomas Hospital Nashville TN. with a brain tumor and if you or any judge rules to take my health care away that was promised for life in writing I will proudly lose home, auto + everything else we have worked so hard for all our lives.

Thanks. Roger Jenkins
and may God Bless: Dist 12 (over)

I don't know if I mentioned before but I'm not just retired but disabled as well with 5 back surgeries and 1 knee replacement.

So as you can see there is no hope or way for me to get out and go to work to help pay the bills. I do well just to go to and from the hospital of 50-60 miles round trip.

Thanks again
and may God Bless Roger Jenkins

P.S. Judge if case gets moved would you pass this letter on? Please
