**DEBTORS' MOTION FOR AUTHORIZATION TO (i) ASSUME OR (ii) REJECT
UNEXPIRED LEASES OF NONRESIDENTIAL REAL PROPERTY**

Patriot Coal Corporation and its subsidiaries that are debtors and debtors in possession in these proceedings (collectively, the “**Debtors**”) respectfully represent:

Relief Requested

1. Pursuant to section 365 of chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 6006 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), the Debtors hereby seek the entry of an order: (a) authorizing the assumption of certain of the Debtors’ unexpired leases of nonresidential real property (in some cases, as modified); (b) authorizing the Debtors to reject any unexpired leases of nonresidential real property determined to be unnecessary to the Debtors’ ongoing business operations; and (c) granting related relief.

¹ The Debtors are the entities listed on Schedule 1 attached hereto. The employer tax identification numbers and addresses for each of the Debtors are set forth in the Debtors’ chapter 11 petitions.

Background and Jurisdiction

2. On July 9, 2012 (the “**Petition Date**”), each Debtor commenced with the United States Bankruptcy Court for the Southern District of New York (the “**SDNY Bankruptcy Court**”) a voluntary case under chapter 11 of the Bankruptcy Code. On December 19, 2012, the SDNY Bankruptcy Court entered an order transferring the Debtors’ chapter 11 cases to this Court (the “**Transfer Order**”) [ECF No. 1789].² The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. These chapter 11 cases are being jointly administered pursuant to Bankruptcy Rule 1015(b) and the SDNY Bankruptcy Court’s Joint Administration Order entered on July 10, 2012 [ECF No. 30].

3. Additional information about the Debtors’ businesses and the events leading up to the Petition Date can be found in the Declaration of Mark N. Schroeder Pursuant to Local Bankruptcy Rule 1007-2, filed on July 9, 2012 [ECF No. 4], which is incorporated herein by reference.

4. The Court has subject matter jurisdiction to consider this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

The Unexpired Leases

5. In connection with the conduct of their businesses, the Debtors are lessees or sublessees under various unexpired leases and subleases of nonresidential real property, as well as holders of certain other rights to the use of nonresidential real

² Pursuant to the Transfer Order, all orders previously entered in these chapter 11 cases remain in full force and effect in accordance with their terms notwithstanding the transfer of venue.

property, such as easements, which are addressed herein out of an abundance of caution (collectively, the “**Unexpired Leases**”). As of the date hereof, each of the Unexpired Leases are prepetition leases that remain subject to assumption or rejection pursuant to section 365 of the Bankruptcy Code.

6. The Unexpired Leases are primarily comprised of leases and subleases of coal reserves, but also relate to, among other things, surface property, office space, storage space and other rights related to the mining of coal.

The Deadline to Assume or Reject

7. Section 365(d)(4) of the Bankruptcy Code provides debtors with an initial 120-day period to assume or reject unexpired leases of nonresidential real property. In these chapter 11 cases, this initial 120-day period ended on November 6, 2012. Given the size and scope of the Debtors’ businesses and their need to focus their efforts in the initial months of these cases on completing a smooth transition to operations in chapter 11, the number of leases and the importance of the leases to the Debtors’ businesses, the Debtors believed it was necessary to seek an extension of this initial 120-day deadline, as permitted by section 365(d)(4) of the Bankruptcy Code.

8. Accordingly, on October 10, 2012, the Debtors filed the Debtors’ Motion for an Extension of the Time to Assume or Reject Unexpired Leases of Nonresidential Real Property (the “**Motion to Extend**”) [ECF No. 1185]. Pursuant to the Motion to Extend, the Debtors sought a 90-day extension—through and until February 4, 2013 (the “**Extended Assumption Deadline**”)—to determine whether to assume or reject the Unexpired Leases. The Motion to Extend was approved by the SDNY Bankruptcy Court by order dated October 23, 2012 (the “**Extension Order**”) [ECF No. 1465].

The Debtors' Efforts in Connection with the Unexpired Leases

9. Since the Petition Date, the Debtors have expended substantial effort to review the Unexpired Leases to determine which Unexpired Leases should be assumed and which should be rejected. Among other things, this process has involved:

(a) reviewing the terms of each of the Unexpired Leases; (b) assessing the market value of the Unexpired Leases; (c) evaluating the amount of coal available for mining on the leased premises, the likely market value of that coal when extracted and the associated costs; (d) analyzing the value of the leases as de facto options on the coal available for mining on the leased premises; (e) evaluating the potential economic impact of assumption or rejection; and (f) evaluating the Unexpired Leases in the context of the ongoing development of the Debtors' coal mining operations and overall business plan.

10. Through these efforts the Debtors have determined, in their business judgment and to the best of their ability at this juncture of their chapter 11 cases, which of the Unexpired Leases to assume at this time based on available information and the current circumstances of these cases, as set forth below. In addition to the Unexpired Leases rejected by this Motion, the Debtors reserve the right to designate any Unexpired Lease for rejection in accordance herewith.

The Assumed Leases

11. In connection with the Debtors' review of the Unexpired Leases, the Debtors have determined to assume the Unexpired Leases identified on Schedule A to the proposed order attached hereto as Exhibit 1 (the "**Proposed Order**") and incorporated herein by reference (collectively, the "**Assumed Leases**"), effective as of January 29, 2013 (the "**Effective Date**").

12. Each Assumed Lease includes any modifications, amendments, addenda and/or supplements thereto and/or restatements thereof and/or any ancillary documents or agreements related thereto, including certain amendments negotiated in connection with the assumption of these leases; notwithstanding the foregoing, the Assumed Leases shall not include any (i) payment agreements; (ii) royalty agreements, including overriding royalty agreements; (iii) assignment and assumption agreements; (iv) purchase and other acquisition agreements; (v) sale agreements; and (vi) purchase option agreements, including, but not limited to, the agreements set forth on Schedule C to the Proposed Order (the “**Excluded Agreements**”), in each case which are not unexpired leases of nonresidential real property as that term is used in section 365(d)(4) of the Bankruptcy Code.

13. In addition, pursuant to section 365(b)(1)(A) of the Bankruptcy Code, the Debtors propose to pay to each lessor the applicable amount identified on Schedule A to the Proposed Order (each, a “**Cure Amount**”) to cure any and all defaults under each Assumed Lease, as required by section 365(b) of the Bankruptcy Code.³ The Debtors intend to pay the applicable Cure Amount 30 days after the order is entered with respect to an Assumed Lease, or as soon thereafter as reasonably practicable.

³ For each Assumed Lease, Schedule A to the Proposed Order includes: (a) the name of the lessor for the Assumed Lease; (b) the location and a description of the Assumed Lease; and (c) the proposed Cure Amount to be paid in connection with the assumption of such lease. Due to their voluminous nature, copies of the Assumed Leases are not attached hereto. The descriptions of the Assumed Leases included in Schedule A to the Proposed Order are provided for convenience only and are not intended to modify, or to represent the Debtors’ interpretation of, the terms of any Assumed Lease. The Debtors reserve the right to amend Schedule A to the Proposed Order to add, remove, or otherwise modify the list of Assumed Leases through the Extended Assumption Deadline. Should the Debtors amend the list of Assumed Leases, the Debtors shall serve a notice of such assumption upon the affected lessor(s) and the Objection Deadline (defined below) in respect of any affected Assumed Lease shall then be eight (8) days from the date of such notice.

14. The Debtors have determined, in their business judgment and to the best of their ability based on the information currently available, that the assumption of the Assumed Leases is appropriate and represents the best available alternative under the circumstances. The premises subject to the Assumed Leases currently are necessary to the Debtors' business operations and, based on the available information at this stage of the restructuring process, are essential to the Debtors' future business operations and restructuring efforts. In addition, certain of the Assumed Leases may have realizable value for the Debtors in the market. To preserve and maximize this potential market value, the Debtors expressly reserve the right to sell and assign each Assumed Lease at a future date pursuant to sections 363 and 365(f) of the Bankruptcy Code.

The Rejected Leases

15. In connection with the Debtors' review of the Unexpired Leases, the Debtors have determined to reject the Unexpired Leases identified on Schedule B to the Proposed Order and incorporated herein by reference (collectively, the "**Rejected Leases**"), effective as of the Effective Date.⁴

16. Each Rejected Lease includes any modifications, amendments, addenda and/or supplements thereto and/or restatements thereof and/or any ancillary documents or agreements related thereto; notwithstanding the foregoing, the Rejected Leases shall not include any (i) payment agreements; (ii) royalty agreements, including overriding royalty agreements; (iii) assignment and assumption agreements; (iv) purchase and other

⁴For any Rejected Lease, Schedule B to the Proposed Order will include: (a) the name for the Rejected Lease; (b) the location and a description of the Rejected Lease; and (c) the Rejection Effective Date. Due to their voluminous nature, copies of any Rejected Leases will not be attached. The descriptions of any Rejected Leases included in Schedule B to the Proposed Order will be provided for convenience only and would not modify, or represent the Debtors' interpretation of, the terms of any Rejected Lease.

acquisition agreements; (v) sale agreements; and (vi) purchase option agreements, including, but not limited to, the agreements set forth on Schedule C to the Proposed Order, in each case which are not unexpired leases of nonresidential real property as that term is used in section 365(d)(4) of the Bankruptcy Code.

17. Prior to the Petition Date, the Debtors entered into numerous leases of nonresidential real property, pursuant to which, among other things, the Debtors are authorized to mine certain coal reserves and engage in other activities necessary to conduct mining activities. However, for a variety of reasons, certain coal reserves either (a) ultimately proved unprofitable to mine or (b) no longer fit into the Debtors' business plans. Therefore, in the exercise of their sound business judgment, the Debtors have determined that it is in the best interests of the Debtors and their estates and creditors to reject the Rejected Leases.

18. In connection with the Debtors' ongoing review of the Unexpired Leases, the Debtors may determine that the rejection of certain additional Unexpired Leases is necessary and appropriate (the "**Additional Rejected Leases**"). Therefore, subject to the terms of the Final Order (i) Authorizing Debtors (a) to Obtain Post-Petition Financing Pursuant to 11 U.S.C. §§ 105, 361, 362, 364(c)(1), 364(c)(2), 364(c)(3), 364(d)(1) and 364(e), and (b) to Utilize Cash Collateral Pursuant to 11 U.S.C. §363 and (ii) Granting Adequate Protection to Pre-Petition Secured Lenders Pursuant to 11 U.S.C. §§ 361, 362, 363 and 364, entered on August 3, 2012 [ECF No. 275], the Debtors reserve the right to amend Schedule B to the Proposed Order to add or otherwise modify the list of Unexpired Leases thereon through the Extended Assumption Deadline to reject any such Additional Rejected Leases. Should the Debtors determine to reject any Additional

Rejected Leases, the Debtors shall serve notice of such rejection upon the affected lessor(s) and the Objection Deadline (defined below) in respect of such Rejected Lease shall then be eight (8) days from the date of service of such notice. In addition, the Debtors reserve the right to later seek to reject any Assumed Lease by separate motion if they determine that such a result is appropriate at the time based on their business judgment. The damages for any such later rejection would be limited by the provisions of applicable law, including section 503(b)(7) of the Bankruptcy Code.

19. Prior to designating a lease a “Rejected Lease”, the Debtors will have determined that such Rejected Lease is not, or will not be, necessary to their ongoing business operations or restructuring efforts. Moreover, the Debtors intend to surrender by the Effective Date, possession of the premises leased pursuant to the Rejected Leases to the respective lessor.

Intercompany Leases

20. The Debtors and their affiliates hold certain intercompany Unexpired Leases (the “**Intercompany Leases**”). The Debtors and their affiliates have agreed to extend the deadline for assumption or rejection of the Intercompany Leases to the date of confirmation of any plan of reorganization in these chapter 11 cases. Thus, at this time, the Debtors are not seeking to assume or reject any Intercompany Lease.

Basis for Relief Requested

A. Applicable Legal Standards

Assumption and Rejection Are Appropriate Where They Are Based on the Proper Exercise of the Debtors’ Business Judgment

21. Section 365(a) of the Bankruptcy Code provides that a debtor, “subject to the court’s approval, may assume or reject any executory contract or unexpired lease.”

11 U.S.C. § 365(a). Courts routinely approve motions to assume or reject executory contracts or unexpired leases upon a showing that the debtor's decision to take such action will benefit the debtor's estate and is an exercise of sound business judgment. *See Crystalin, L.L.C. v. Selma Prop., Inc. (In re Crystalin, L.L.C.)*, 293 B.R. 455, 463-64 (B.A.P. 8th Cir. 2003) (citing *Orion Pictures Corp. v. Showtime Networks, Inc. (In re Orion Pictures Corp.)*, 4 F.3d 1095, 1099 (2d Cir. 1993) (stating that section 365 of the Bankruptcy Code "permits the trustee or debtor-in-possession, subject to the approval of the bankruptcy court, to go through the inventory of executory contracts of the debtor and decide which ones it would be beneficial to adhere to and which ones it would be beneficial to reject"); *see also NLRB v. Bildisco & Bildisco*, 465 U.S. 513, 523 (1984) (stating that the traditional standard applied by courts under section 365 is that of "business judgment"); *In re Gucci*, 193 B.R. 411, 415 (S.D.N.Y. 1996) ("A bankruptcy court reviewing a trustee's decision to assume or reject an executory contract should apply its 'business judgment' to determine if it would be beneficial or burdensome to the estate to assume it.").

22. In the Eighth Circuit, the business judgment test for the assumption or rejection of a lease consists of two parts. *In re Crystalin*, 293 B.R. at 464. First, the Debtor must carry its burden to prove that assumption benefits the estate. *Id.* Once that initial test is met, "the bankruptcy court should not interfere with the trustee or debtor-in-possession's business judgment except upon a finding of bad faith or gross abuse of their business discretion." *Id.* (internal citations and quotations omitted). The debtor need not show, however, that continued performance of a given contract would result in a loss of

value for the estate. *In re Audra-John Corp.*, 140 B.R. 752, 755-56 (Bankr. D. Minn. 1992).

23. Courts generally will not second-guess a debtor's business judgment concerning the assumption, assumption and assignment, or rejection of an executory contract or unexpired lease. *See In re Audra-John Corp.*, 140 B.R. at 756 (“[T]he [business judgment] test embodies considerable deference to the proponent of the rejection, so long as it can articulate sound business reasons for repudiating the contract”) (internal citations omitted); *accord In re Riodizio, Inc.*, 204 B.R. 417, 424 (Bankr. S.D.N.Y. 1997) (“[A] court will ordinarily defer to the business judgment of the debtor's management”); *Phar-Mor, Inc. v. Strouss Bldg. Assocs.*, 204 B.R. 948, 951–52 (Bankr. N.D. Ohio 1997) (“Whether an executory contract is ‘favorable’ or ‘unfavorable’ is left to the sound business judgment of the debtor Courts should generally defer to a debtor's decision whether to reject an executory contract.”).

24. The “business judgment” test is not a strict standard: it merely requires a showing that either assumption or rejection of the executory contract or unexpired lease will benefit the debtor's estate. *See, e.g., Four B. Corporation v. Food Barn Stores, Inc. (In re Food Barn Stores, Inc.)*, 107 F.3d 558, 567 n.16 (8th Cir. 1997) (“Where the trustee's request is not manifestly unreasonable or made in bad faith, the court should normally grant approval ‘[a]s long as [the proposed action] appears to enhance [the] debtor's estate.’”) (alterations in original) (citation omitted); *Westbury Real Estate Ventures, Inc. v. Bradlees, Inc. (In re Bradlees Stores, Inc.)*, 194 B.R. 555, 558 n.1 (Bankr. S.D.N.Y. 1996) (“In reviewing a debtor's decision to assume or reject an executory contract, the court must examine the contract and circumstances and apply its

best ‘business judgment’ to determine if the assumption or rejection would be beneficial or burdensome to the estate.”). Further, nothing prevents the parties to a contract from agreeing to postpetition modifications to the contract prior to its assumption. *See City of Covington v. Covington Landing Ltd. P’ship*, 71 F.3d 1221, 1227 (6th Cir. 1995) (“Nothing in the Code suggests that the debtor may not modify its contracts when all parties to the contract consent.”).

The Bankruptcy Code Contemplates an Assignment after Assumption

25. As set forth above, the Debtors intend to assume each of the Assumed Leases now and may, in their discretion, assign them to a third party at a later time, pursuant to section 365(f) of the Bankruptcy Code. Courts have recognized the right of a debtor to assume a lease while maintaining the right to later assign the lease pursuant to the provisions of section 365 of the Bankruptcy Code, which permits assignment notwithstanding an otherwise applicable nonassignability restriction. *See In re Bricker Sys., Inc.*, 44 B.R. 952 (Bankr. E.D. Wis. 1984); *see also In re Federated Dep’t Stores*, 135 B.R. 941, 945 (Bankr. S.D. Ohio 1991) (allowing a one-year lapse of time between assumption and assignment pursuant to section 365(f) of the Bankruptcy Code and stating that *Bricker Systems* “lends clear support to the proposition that an assumed contract may be assigned at a later date”).⁵

⁵ *Accord L.R.S.C. Co. v. Rickel Home Ctrs., Inc. (In re Rickel Home Ctrs., Inc.)*, 209 F.3d 291, 295 (3d Cir. 2000) (allowing an eight month lapse of time between assumption and assignment); *In re Serv. Merchandise Co., Inc.*, 297 B.R. 675, 690-93 (Bankr. M.D. Tenn. 2002) (in a case where the debtor assumed a lease of nonresidential real property and sought to assign the lease 14 months later, the lessor’s objections to assignment based on certain lease provisions granting a right of first refusal were overruled as violations of section 365(f) of the Bankruptcy Code).

B. Application of Relevant Standards

The Debtors Have Determined That the Proposed Treatment of the Assumed Leases Is Appropriate.

26. The proposed assumption by the Debtors of the Assumed Leases is an appropriate exercise of the Debtors' business judgment based upon the information available to the Debtors at this point in their chapter 11 cases. Specifically, for each of the Assumed Leases, the Debtors have assessed the relevant markets and their business operations in light of the current status of their reorganization efforts, recognizing that their business plan has not yet been completed and the coal industry remains in a state of uncertainty. Despite the unsettled nature of the Debtors' ultimate business plan and reorganization plan, the Bankruptcy Code mandates an early decision on the treatment of Unexpired Leases.

27. Within these constraints, the Debtors have determined that the premises leased under the Assumed Leases are necessary to their current and future business operations and that the immediate rejection of these leases and turnover of the underlying properties would be disruptive and costly. For example, the Debtors have evaluated the amount of coal at the premises leased under the Assumed Leases and the costs associated with maintaining the lease. The Debtors have determined in their business judgment that the costs associated with assuming and servicing the Assumed Leases, even those without currently active mining operations, are outweighed by the potential benefits at this time.

28. For all of these reasons, the Debtors believe that the assumption of the Assumed Leases is proper under the circumstances and should be approved. Moreover, the Debtors submit that the payment of the Cure Amounts will fully satisfy the Debtors'

obligations to cure outstanding defaults under the Assumed Leases, pursuant to section 365(b) of the Bankruptcy Code, and should be approved.

The Debtors Have Determined that Seeking Authority to Reject the Rejected Leases Is Appropriate.

29. The proposed rejection by the Debtors of the Rejected Leases is an appropriate exercise of the Debtors' business judgment based upon the information available to the Debtors at this point in their chapter 11 cases. Specifically, for each of the Rejected Leases, the Debtors have determined that the cost of performance under the leases outweighs the likely profit to be had, if any, from mining operations or any other business to be carried out on the leased premises, or that there is no further need to maintain the Rejected Lease for the Debtors' current or future operations. Rejecting the Rejected Leases will benefit the Debtors' estates by freeing cash flow for other uses and preserving the property of the estates for creditors.

30. The Debtors seek authority to reject any Rejected Leases they determine not to be necessary to the Debtors' ongoing or future business operations or restructuring efforts by serving a notice of such rejection on the applicable lessor. Honoring the obligations under any such Rejected Leases would unnecessarily deplete the assets of the Debtors' estates to the direct detriment of their creditors. Moreover, prior to any rejection the Debtors will have determined that the Rejected Leases have no realizable value in the marketplace. Accordingly, in the sound exercise of their business judgment based on the information available at this time, the Debtors have determined that seeking authority to reject any Rejected Leases, pursuant to section 365 of the Bankruptcy Code, effective as of the Effective Date, is in the best interests of their estates.

Objections

31. Any party in interest, including without limitation a counterparty to an Unexpired Lease, may object to the proposed lease assumptions and lease rejections requested by this Motion by filing a written objection (an “**Assumption/Rejection Objection**”) on or before 4:00 p.m. Central Time on January 22, 2013 (the “**Objection Deadline**”), *provided, however*, that the Objection Deadline shall be extended as to any affected Unexpired Lease until 4:00 p.m. Central Time on the eighth day following the filing of an applicable redesignation notice. Any such Assumption/Rejection Objection must set forth with specificity the legal and factual basis for such objection.

32. Additionally, any counterparty to an Assumed Lease may object to a proposed Cure Amount by filing a written objection (a “**Cure Objection**” and, together with an Assumption/Rejection Objection, each an “**Objection**”) on or before the Objection Deadline. Any Cure Objection must set forth with specificity (i) the Assumed Lease to which the Cure Objection pertains; (ii) the basis for the Cure Objection; (iii) the provision(s) of the Assumed Lease or any other agreement under which the objecting party contends any uncured default exists, if any; and (iv) the amount that the objecting party asserts as the Cure Amount.

33. An Objection shall be considered timely only if, on or before the Objection Deadline, it is filed with the Court and served upon each of the following parties: (a) Chambers of the Honorable Kathy A. Surratt-States, United States Bankruptcy Court for the Eastern District of Missouri, 111 South 10th Street, 4th Floor, St. Louis, MO 63102, (b) counsel to the Debtors, Davis Polk & Wardwell LLP, 450 Lexington Avenue, New York, NY 10017, Attn: Marshall S. Resnick, (c) conflicts counsel to the Debtors, Curtis, Mallet-Prevost, Colt & Mosle LLP, 101 Park Avenue, New York, NY 10178, Attn: Steven J. Reisman and Michael A.

Cohen, (d) the Office of the United States Trustee for the Eastern District of Missouri, 111 South 10th Street, Suite 6.353, St. Louis, MO 63102, Attn: Leonora S. Long and Paul A. Rogoff and Gregory G. Plotko, and (f) the Debtors' authorized claims and noticing agent, Patriot Coal Corporation, c/o GCG, Inc., P.O. Box 9898, Dublin, OH 43017-5798.

34. For each Assumed Lease and Rejected Lease as to which an Objection is timely filed and properly served and that is not otherwise resolved by the parties after a reasonable period of time, the Debtors, in consultation with the Court, shall schedule a hearing on such Objection and provide at least 14-calendar-days' notice of such hearing to the relevant lessor, *provided, however*, that (i) the filing of any such Objection shall not delay the entry of an order granting the relief requested herein for which no Objection has been timely filed and (ii) notwithstanding that an Objection may be resolved by the Debtors after the Extended Assumption Deadline, any such Assumed Lease or Rejected Lease shall not be deemed rejected pursuant to section 365(d)(4) of the Bankruptcy Code.

35. The Debtors request that any assumption of an Assumed Lease and any rejection of a Rejected Lease approved by the Court notwithstanding an Objection (and regardless of the date of such approval) shall be effective as of the Effective Date.

Notice

36. Consistent with the Order Granting Debtors' Motion for an Order Establishing Certain Notice, Case Management and Administrative Procedures entered on October 18, 2012 [ECF No. 1386] (the "**Case Management Order**"), the Debtors will serve notice of this Motion on (a) the Core Parties, (b) the Non-ECF Service Parties (as those terms are defined in the Case Management Order); (c) the affected real property lessors; and (d) the counterparties to the Excluded Agreements. A copy of this Motion and any order approving it will also be made available on the Debtors' Case Information Website (located at <http://www.PatriotCaseInfo.com>). In light of the relief requested, the Debtors submit that no further notice is necessary. Pursuant to paragraph 22 of the Case Management Order, if no objections are timely filed and served in accordance therewith, the relief requested herein may be entered without a hearing.

No Previous Request

37. No previous request for the relief sought herein has been made by the Debtors to this or any other court.

WHEREFORE the Debtors respectfully request that the Court (a) enter an order substantially in the form attached hereto as Exhibit A, granting the relief requested herein; and (b) grant such other and further relief to the Debtors as the Court may deem proper.

(Jointly Administered)

**ORDER AUTHORIZING DEBTORS TO (i) ASSUME OR (ii) REJECT
UNEXPIRED LEASES OF NONRESIDENTIAL REAL PROPERTY**

Upon the motion (the “**Motion**”)² of Patriot Coal Corporation and its subsidiaries that are debtors and debtors in possession in these proceedings (collectively, the “**Debtors**”) for entry of an order pursuant to section 365 of the Bankruptcy Code and Bankruptcy Rule 6006 authorizing them to (i) assume certain of their unexpired leases of nonresidential real property and (ii) reject certain of their unexpired leases of nonresidential real property, as more fully set forth in the Motion; and the Court having jurisdiction to consider the Motion and the relief requested therein pursuant to 28 U.S.C. § 1334 and the Standing Order of Referral of Cases to Bankruptcy Court Judges of the District Court for the Southern District of New York dated July 10, 1984 (Ward, Acting C.J.) as amended by Standing Order M-431, dated February 1, 2012 (Preska, C.J.); and consideration of the Motion and the requested relief being a core proceeding the Court can determine pursuant to 28 U.S.C. § 157(b)(2); and venue being proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409; and due and proper notice of the Motion

¹ The Debtors are the entities listed on Schedule 1 attached to the Motion. The employer tax identification numbers and addresses for each of the Debtors are set forth in the Debtors’ chapter 11 petitions.

² Unless otherwise defined herein, each capitalized term shall have the meaning ascribed to it in the Motion.

having been provided in accordance with the Case Management Order; and it appearing that no other or further notice need be provided; [and there being no objections to the Motion;] and the Court having reviewed the Motion [and having held a hearing with appearances of parties in interest noted in the transcript thereof (the “**Hearing**”)]; and the relief requested in the Motion being in the best interests of the Debtors and their estates and creditors; and the Court having determined that the legal and factual bases set forth in the Motion [and at the Hearing] establish just cause for the relief granted herein; and upon all of the proceedings had before the Court and after due deliberation and sufficient cause appearing therefore, it is

ORDERED that the relief requested in the Motion is granted as set forth herein; and it is further

ORDERED that subject to the reservations of rights set forth in this Order, the Debtors are authorized to assume the Assumed Leases identified on the attached Schedule A,³ and the Assumed Leases are deemed assumed, pursuant to section 365 of the Bankruptcy Code, effective as of the Effective Date; and it is further

ORDERED that each Assumed Lease includes any modifications, amendments, addenda and/or supplements thereto and/or restatements thereof and/or any ancillary documents or agreements related thereto, including certain amendments negotiated in connection with the assumption of these leases; notwithstanding the foregoing, the Assumed Leases shall not include any (i) payment agreements; (ii) royalty agreements, including overriding royalty agreements; (iii) assignment and assumption agreements;

³ The descriptions of the Assumed Leases included in Schedule A are provided for convenience only and are not intended to modify, or to represent the Debtors’ interpretation of or a Court determination regarding, the terms of any Assumed Leases.

(iv) purchase and other acquisition agreements; (v) sale agreements; and (vi) purchase option agreements, including, but not limited to, the agreements set forth on Schedule C attached hereto, in each case which are not unexpired leases of nonresidential real property as that term is used in section 365(d)(4) of the Bankruptcy Code; *provided, that* nothing in this Order shall be construed to impair the Debtors' rights to assume or reject any of the foregoing to the extent they are executory contracts; and it is further

ORDERED that the Debtors maintain the statutory right to later reject any Assumed Lease, even following the occurrence of the Extended Assumption Deadline. If the Debtors later reject any leases previously assumed hereunder, the resulting damages that may be asserted by lessors will be limited by sections 503(b)(7) and 502(b)(6) of the Bankruptcy Code and any other applicable law; and it is further

ORDERED that the Debtors' right to assign any of the Assumed Leases, pursuant to section 365(f) of the Bankruptcy Code is expressly preserved, and the Debtors may assign any Assumed Lease in the future notwithstanding any provision of such Assumed Lease that prohibits, restricts or conditions the assignment of such Assumed Lease, *provided* that the conditions of section 365(f)(2)(B) of the Bankruptcy Code are satisfied; and it is further

ORDERED that the cure amount to be paid to cure all prepetition defaults under each Assumed Lease pursuant to section 365(b) of the Bankruptcy Code shall be the applicable Cure Amount set forth on the attached Schedule A or such other amount as may be agreed by the parties; and it is further

ORDERED that the Debtors are authorized to reject the Rejected Leases identified on the attached Schedule B,⁴ and the Rejected Leases are deemed rejected, pursuant to section 365 of the Bankruptcy Code, effective as of the Effective Date; and it is further

ORDERED that each Rejected Lease includes any modifications, amendments, addenda and/or supplements thereto and/or restatements thereof and/or any ancillary documents or agreements related thereto; notwithstanding the foregoing, the Rejected Leases shall not include any (i) payment agreements; (ii) royalty agreements, including overriding royalty agreements; (iii) assignment and assumption agreements; (iv) purchase and other acquisition agreements; (v) sale agreements; and (vi) purchase option agreements, including, but not limited to, the agreements set forth on Schedule C attached hereto, in each case which are not unexpired leases of nonresidential real property as that term is used in section 365(d)(4) of the Bankruptcy Code; *provided, that* nothing in this Order shall be construed to impair the Debtors' rights to assume or reject any of the foregoing to the extent they are executory contracts; and it is further

ORDERED that, for each Assumed Lease and Rejected Lease as to which an Objection is timely filed and properly served as provided for in the Motion and that is not otherwise resolved by the parties after a reasonable period of time, the Debtors, in consultation with this Court, shall schedule a hearing on such Objection and provide at least 14-calendar-days' notice of such hearing to the relevant lessor; and it is further

⁴ The descriptions of the Rejected Leases included in Schedule B are provided for convenience only and are not intended to modify, or to represent the Debtors' interpretation of or a Court determination regarding, the terms of any Rejected Leases.

ORDERED that any assumption of an Assumed Lease or rejection of a Rejected Lease approved by the Court notwithstanding an Objection shall be effective as of the Effective Date (regardless of the date of the resolution of such Objection); and it is further

ORDERED that, notwithstanding whether an Objection is resolved by the Debtors after the Extended Assumption Deadline, any Assumed Lease or Rejected Lease that is the subject of such Objection shall not be deemed rejected pursuant to section 365(d)(4) of the Bankruptcy Code; and it is further

ORDERED that the deadline for the assumption or rejection of any Intercompany Lease shall be extended to the date of confirmation of any plan of reorganization in these chapter 11 cases; and it is further

ORDERED that, without further order of this Court, all counterparties to any Rejected Lease are prohibited from setting off or otherwise utilizing any monies deposited by the Debtors with such counterparty as a security deposit or pursuant to another similar arrangement; and it is further

ORDERED that pursuant to the Order Establishing Deadline for Filing Proofs of Claim and Approving the Form and Manner of Notice Thereof [ECF No. 1388] (the “**Bar Date Order**”), any lessor under a Rejected Lease must file a proof of claim for any damages resulting from the rejection of the Rejected Lease (a “**Rejection Damages Claim**”) no later than 30 days after the entry of this Order (the “**Rejection Damages Bar Date**”). All such proofs of claims shall be filed by the Rejection Damages Bar Date in accordance with the requirements of the Bar Date Order. If a lessor fails to timely and properly file a Rejection Damages Claim by the Rejection Damages Bar Date, such party

shall be forever barred, estopped and enjoined from asserting such Rejection Damages Claim against the Debtors or voting or receiving distributions under any plan of reorganization in these cases on account of such Rejection Damages Claim; and it is further

ORDERED that the Motion satisfied Bankruptcy Rules 6006, 6007 and 9014; and it is further

ORDERED that the Debtors are authorized to take all such actions as are necessary or appropriate to implement the terms of this Order.
