Dear Jude;

First of all let me thank for reading my letter

I know you are very busy.

My name is Dewey E. Ellis from Kistler

WV. the southern coal fields. I started in

the mines in 1973 and still working

thank God. I am a 3rd generation miner

and proud to say so. We are hard work-

ing proud people who ask for only

what we earn. We have seen many ~~tragedy~~

and hardships but we overcome them

we don't quit. Mining is VERY danger-

ous job and we provide a very valuable

resource for country. We have seen our

co-workers ^{or} injured even die on the job

when one miner dies on the job union

or non union its' a ~~tragedy~~ to all miners

and their family. last year we lost 29 men

thats 29 to many. my dad was injured and

spent the last 29 years of his life in a

wheel chair.

MY wife and I are looking forward to
Retirement in a couple of years. And have
plans of buying us a small motor home and
and travel this wonderful country we
are bless to call home. She has stood
with me through thick and thin, she works
in Fast Food to help make things easy better
for us. I have recently developed a health
problem and without my health care I
could die that's a scary thought. To know
that someone else controls your health care
we have been blessed with two wonderful
children and 6 grandchildren A Gift From
GOD.

we went through the Pittston strike
of 1989 when they tried the same thing
~~they tried~~ Thank GOD we overcame.
The US Supreme court ruled that
corporations are people too.
So please make those people do the
right and fair things to our people.

Dewey & Ellis

PS please forgive my penmanship or
the lack of it, I am a coal miner not
a writer.
