I am a retiree from Arch of Illinois Coal Company. For 29 years of service I received a small pension and the promise of lifetime Healthcare for me and my wife. How we ended up with Patriot Coal is beyond my comprehension. Now this promise of Healthcare is in jeopardy. My years of service were with Arch of Illinois, not Patriot Coal.

We are grateful for Medicare and rely on Arch for our remaining coverage. My 70 year old wife has serious health issues. She suffers from rheumatoid arthritis and a life-threatening lung disease (MAI). And I am a diabetic with four heart stents. We both need this insurance that was promised for our retirement years. The effect of these actions by the Coal Company will be immediate and devastating to us personally and to many families of the UMWA.

We are strong supporters of our Union. And we are proud of the retirement security achieved by our fathers and grandfathers .

Thank you Judge, for reading this letter, and hopefully considering this in favor of the retirees.

God Bless

Sincerely

Arthur Lambert
