I

I am writing to tell you how much Insurance means to my wife and myself. I worked for Peabody Coal Co. for 24 yrs, in which I was promised health Insurance for life. I got Layed off in 1994 I was 48 yrs old so I couldn't get Insurance or my pension. In 2003 I took my pension which was 240.00 mo for 24 yrs Service. I got another job and had Insurance so I never used Patriots health insurance, in 2005 I remarried shortly there after I was diagnosed with C H F. had to have pacemaker and had to go on disability. My wife worked and had her own insurance until she was Layed off

Then she had to go on B C B S
of JUL. 2010 she was diagnosed
with 4th Stage Lung cancer she takes
Chemotherapy Every month and will for
the rest of her life. The sheer cost
of Chemo is more than we can bear
we do well to pay our bills she is
still working as she is a trooper who
doesn't give up. With the fine Doctors
we have, and our faith in God we would
like to see 14. grandchildren grow up.
we won't make it without insurance.
Sir A promise is a promise don't
let Pealbody or Patriot take it away
from us. God bless and thank you

Sincerely

John C. Lynch
