Dear THOMAS L. WHITE:

Your application for a retirement pension has been approved under provisions of the 1974 Pension Plan.

The effective date and amount of your pension are shown above. The enclosed check is for all payments through MAY 31, 1996. Future checks should arrive at the beginning of each month.

The amount of your pension is determined by the amount of service credit awarded to you. The enclosed forms show whether credit has been denied for any period and, if so, why it has been denied. If you disagree with the amount of credit awarded, please contact the Funds' BECKLEY field service office. A staff member there will be glad to discuss the rules for award of service credit. If you are not satisfied that our decision is correct, you may request a hearing. This request must be filed within 90 days of the date of this letter.

In addition to your pension, you and your dependents may be eligible for health benefits. To determine your eligibility for these benefits, contact the last signatory company that employed you in a classified job. According to our records, that company was PEABODY COAL CO; we have sent them a copy of this letter to notify them that they may be responsible for your benefits.

If you have any questions about the information contained in this letter, contact the Funds' BECKLEY field service office.

Sincerely,

Kyu W. Lee
