U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

To: Honorable Kelly A. Suratt - States
James R. Jenkins on a 79 yr.
old ~~retiree~~ Co. retiree. I was
guaranteed a pension + health benefits
for my spouse and me for our life-
time. Now that I am no longer able
to work they want to take it all
away.

Many retirees and their spouses
will die from the need of food and
and medical care, truly a sad
position to be in, not just for us
but also for others. Now heartless,
just another example of how large
corporations treat their employees
and retirees in desperate need.

There would be no possible
way for my spouse + me to see a
doctor, go to a hospital or buy
medicine without our benefits.

Please consider this for us and
others when making your decision.

Sincerely, James R. Jenkins
