U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

2-4-2013

Your Honor

My name is Ida Duncan. I am the widow of a coal miner. He passed almost 13 years ago. He had work for 27 years.

If my pension is taking away and my medical it will be devastating for me. That money helps me raise a grandchild of drug parents.

My husband was a man who took care of his family. When his was layed off from the mines he always found work outside of the mines to feed and clothe his family I also worked to help now I can't work anymore to help, because I've had breast cancer now I have diabetes. So the medical is a life saver for me.

So please see your way clear to let us keep our benefits.

Please keep me and my family in mind.

God Bless and Keep You and Yours.

Ida Duncan
