Dear Honorable Kathy A. Surett

U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

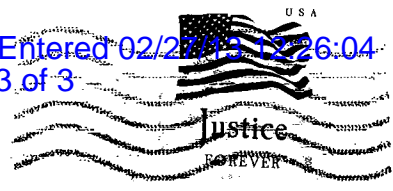

I worked for Peabody Coal for 37 1/2 years to earn my pension and health benefits. Now I am getting so old that I could not get another job to earn new health benefits or a pension to support my family. I have done my time for those benefits and to see them taken away would be a disaster for me and my family. My wife has heart trouble. She has had a pacemaker attached to her and is a diabetic. I have had bypass surgery myself. A ruling in favor of the miners is essential to our current health needs as well as being able to survive these current economic conditions.

Thank you very much for reading our
correspondence.

Sincerely Henry E. Jaturro
