The Hon. Kathy A. Surratt States,
Re. Case No. 12-51502

I am writing to you as a UMWa member concerned about my health care coverage.

I have had open heart surgery am on multiple medicines. I need my health care coverage. Peabody has no right to take this away.

I worked for 35 years for Peabody. I worked hard and long. Good times and bad times. I was promised my health care coverage for as long as I lived, and my wife as long as she lived.

Peabody gave employees stickers, hats, shirts, jackets as a way of saying you done a good and safe job. Some of these for not missing work. I worked for Peabody, and now wants to take what is mine that I worked for.

I have a small gold pin.
Peabody gave me for all of my
35 years of work.

I worked steady, double shifts
and if really needed tripple.

I helped Peabody make millions,
billions, now I need my health
care along with my wife, Retired,
working miners) and families,
Widows) and families. People who
are lucky to be alive their health
is so bad.

Insurance Companies won't cover
so many of us our health, preexisting
conditions come up. Then insurance
premiums are so high we couldn't
afford it.

I guess Peabody just got the best
of us, now Peabody just wants
to throw us away. We're no good
to them any more.

Please Your Honor consider the
Cradle to grave Peabody made and their
Unjust actions. Thank you,

James and Loretta Lovejoy
