

Honorable Judge Kathy Surratt states,

Miners Health Insurance through Patriot Coal is what my husband, Brothers, & Brother-in-law has worked to receive as they worked each long day, but so much more important to have when they retire.

To have this taken away will be a great loss, to them!

My husband has hurt his neck in the Underground Mines and his joints after 29 years are worn out, but he goes every day of his shift at a Mines 80 miles away from home that Peabody Coal Co. started only to change their name to Patriot. So Peabody is responsible for their Retiree's!

Sincerely,

Martha Arnett

PS

Patriot Coal also can't just turn away from their Contract to provide Health Ins. for Retiree's!
