Honorable Kathy A. Surratt States:

My name is Jerry D. Cook, Sr. I'm a retired Coal miner of 23 1/2 years in the mine. I retired on 11-01-1995. Being last 5 yrs with arch.

Arch made a promise that my wife and I would be covered in health and benefits. It would be a hardship for myself & my wife. I'm going blind. I have Macular Degeneration (the dry kind) I also have Co.P.D., lost hearing in right ear, very low hearing in left ear (with help from a hearing aid) I depend on my wife to take me to my drs. appointments and any where else I need to go.

My wife Rita has Rheumatoid Arthritis, she take 4 Medicines plus a shot once (that's over \$2,000) a month.

She has had operation that is causing scar tissue. Last surgery doctors put in a mark mess that has broken up and is causing her pain.

She is receiving a brace worn --  
pain medicine for that.

The Coal Company is forgetting we work  
for them every day putting our life in  
danger so they can get rich.

all we ask is you make a fair  
ruling.

Thank you!

Jerry D. Cook
