From: Charles R. Bumgarner, Retired 5958 UMWA

Hon. Judge Surratt, A little about myself; I,m a seventy nine (79) year old, born at Holden WV. My dad a coal miner, died when he was 50 years old, my oldest brother died when he was 57 years old, these two suffered for many years before death. My next oldest brother was 66 year old at death. All three were coal miners, who gave their healthy years to the Coal Operators, my dad and oldest brother gave their health to Island Creek Coal Co. the sixty six year old worked for ICCCo for several years then he worked wherever he could find work. Five boys and four were miners. I'm the oldest surviving male in the family, my younger brother is a disabled miner, now 66 Yrs old.

Hon. Surratt, We have suffered enough as a family, please hear our plea for our health care, and retirement. We have given enough to the coal industry without giving our last bit of health care, and retirement. I worked for ARCH COAL before it became Patriot Coal.

I,m in need of Skin Cancer removal MARCH 6, 2013

May God guide you in your decisions, with deep respect for the system which serves all of us. I cannot write very clear now and have typed this in hopes to let your hear my plea, if it is to long forgive me.
