To the extent that a response is required, the Arch Defendants deny the allegations set forth in the second sentence of paragraph 2 of the Complaint.

3. Paragraph 3 of the Complaint purports to state legal conclusions as to which no response is required.

### **PARTIES**

10. The Arch Defendants lack knowledge or information sufficient to admit or deny the allegations set forth in paragraph 10 of the Complaint.

11. The Arch Defendants lack knowledge or information sufficient to admit or deny the allegations set forth in paragraph 11 of the Complaint.

**BACKGROUND**

12. The Arch Defendants admit the allegations set forth in paragraph 12 of the Complaint.

13. The Arch Defendants deny the allegations set forth in paragraph 13 of the Complaint, except admit that Ark Land and Apogee executed the Asset Purchase Agreement and refer to that agreement for its terms.

14. The Arch Defendants deny the allegations set forth in paragraph 14 of the Complaint, except admit that Ark Land executed the Guyan Lease Assignment, the Lawson Heirs Lease and the Kelly-Hatfield Lease and refer to such agreements for their terms.

15. The Arch Defendants deny the allegations set forth in paragraph 15 of the Complaint, except admit that Ark Land executed the STB Override Agreement and refer to that agreement for its terms.

16. The Arch Defendants deny the allegations set forth in paragraph 16 of the Complaint, except admit that section 8 of the STB Override Agreement contains the quoted language.

17. The Arch Defendants deny the allegations set forth in paragraph 17 of the Complaint, except admit that Ark Land executed the Ark Assignment Agreement and refer to that agreement for its terms.

18. Paragraph 18 of the Complaint purports to state legal conclusions as to which no response is required. To the extent that any response is required, the Arch Defendants deny the allegations set forth in paragraph 18 of the Complaint.

### **COUNT I**

#### **Declaratory Judgment**

19. The Arch Defendants repeat and re-allege their responses to paragraphs 1 through 18 as if fully set forth in this paragraph.

20. Paragraph 20 of the Complaint purports to state legal conclusions as to which no response is required.

21. Paragraph 21 of the Complaint purports to characterize the nature of the action brought and the relief sought, and accordingly no response is required.

#### **GENERAL DENIAL**

22. Except as otherwise expressly admitted above, the Arch Defendants deny every allegation contained in paragraphs 1 through 21 of the Complaint, including without limitation, the headings and subheadings contained in the Complaint. The Arch Defendants expressly reserve the right to amend and/or supplement their Answer.

#### **AFFIRMATIVE DEFENSES**

23. The Arch Defendants assert the following affirmative defenses without waiving any requirement that RLC meet its burden of proof with respect to each and every element of its claims.

##### **First Affirmative Defense**

24. The Complaint, and each and every claim stated therein, fails to state a claim upon which relief, either legal or equitable, can be granted.

**Second Affirmative Defense**

25. Plaintiff's claims are barred by the doctrines of estoppel, laches, ratification and acquiescence.

**Third Affirmative Defense**

26. Plaintiff's claims are barred by waiver.

**Fourth Affirmative Defense**

27. Plaintiff's claims are barred by the failure to provide consideration.

**Fifth Affirmative Defense**

28. Plaintiff's claims are barred by the terms of the agreements.

**Sixth Affirmative Defense**

29. Plaintiff's obligations to pay the relevant portions of the STB Override constitute real property interests that run with the Lawson Heirs Premises and the Kelly-Hatfield Premises (each as defined below). As such, RLC's obligation to pay the relevant portion of the STB Override is not subject to treatment as a contract or contractual rights by Plaintiff.

**Seventh Affirmative Defense**

30. RLC's obligation to pay the relevant portion of the STB Override is integrated with the Debtors' rights and obligations under the Kelly-Hatfield Lease, the Lawson Heirs Lease, the Amended and Restated Partial Assignment (as defined below), the Ark Assignment Agreement, the Magnum PSA (as defined below) and/or the Asset Purchase Agreement. Consequently, such obligation cannot be treated separately from such agreements.

31. The Arch Defendants reserve all of their rights to assert additional affirmative defenses based on further investigation and discovery.

### **COUNTERCLAIMS**

32. The Arch Defendants, by their undersigned attorneys, as for their counterclaims, hereby allege as follows:

### **NATURE OF COUNTERCLAIMS**

33. In 1994, Ark Land and Apogee reached an agreement with STB, Eagle Minerals Company, Guyan Mining Company, and Guyan Equipment Company (collectively, the “Sellers”) pursuant to which Ark Land would acquire the Sellers’ interest in, and accordingly, the right to mine coal from, the premises demised pursuant to the Kelly-Hatfield Lease and the Lawson Heirs Lease (the “Kelly-Hatfield Premises” and the “Lawson Heirs Premises,” respectively, and together the “Premises”), in exchange for, among other things, Ark Land’s agreement to pay an overriding royalty with respect to coal mined and sold from the Premises.

34. This agreement was memorialized in the Asset Purchase Agreement dated as of October 31, 1994 by and among Ark Land, Apogee and the Seller (the “Asset Purchase Agreement”) and the ancillary instruments thereto, which include (i) the Kelly-Hatfield Lease, (ii) the Lawson Heirs Lease (together with the Kelly-Hatfield Lease, the “Leases”), (iii) the STB Override Agreement, (iv) the Assignment and Assumption of Leases dated as of October 31, 1994 between STB, Eagle Minerals Company and Ark Land (the “Guyan Lease Assignment”) and (v) the Liabilities Undertaking Agreement dated as of October 31, 1994 by and among STB, Eagle Minerals Company, Guyan Equipment Company, Guyan

Mining Company and Ark Land (the “Liabilities Undertaking Agreement”).<sup>2</sup> The portion of the agreement relating to the payment of the overriding royalty with respect to coal mined and sold from the Premises was set forth in the STB Override Agreement (the royalties required to be paid under the STB Override Agreement, the “STB Override”).<sup>3</sup>

35. The documents referenced in paragraph 34 are interrelated and are meant to be read together as a whole to form a single transaction (the “STB Transaction”). The Asset Purchase Agreement is the master agreement that generally states the consideration that will be exchanged between the parties, including the execution and delivery of the STB Override Agreement and the payment of the STB Override pursuant thereto, and how the ancillary instrument fit into the whole of the STB Transaction. The Sellers’ interests in the Premises were leasehold interests with third party lessors, Kelly-Hatfield Land Company and Lawson Heirs, Incorporated. These leasehold interests were assigned to Ark Land pursuant to the Guyan Lease Assignment, and Ark Land assumed obligations under these leases pursuant to the Guyan Lease Assignment and the Liabilities Undertaking Agreement. The Kelly-Hatfield Lease and the Lawson Heirs Lease are novation leases between Ark Land and the third party lessors. And, the execution, delivery of and compliance with the STB Override Agreement, which required Ark Land to pay a royalty to STB on coal mined and sold from the Premises, was a material portion of the consideration paid by Ark Land for the Sellers’ interests in the Premises.

36. RLC was assigned the Lawson Heirs Lease and a portion of the Kelly-Hatfield Lease in 2005, and was assigned an additional portion of the Kelly-Hatfield Lease

---

<sup>2</sup> A true and correct copy of the Liabilities Undertaking Agreement is attached hereto as Exhibit 1.

<sup>3</sup> The STB Override Agreement, Asset Purchase Agreement, Guyan Lease Assignment, Lawson Heirs Lease and Kelly-Hatfield Lease were filed under seal by RLC as exhibits A through E to the Complaint, respectively.

in 2007. In exchange, RLC expressly agreed to assume the obligation to pay the STB Override with respect to coal mined and sold from the assigned portions of the Premises. The parties viewed the obligation to pay the STB Override as part of the right to mine the Premises under the assigned Leases, such that, as RLC would mine the Lawson Heirs Premises and portions of the Kelly-Hatfield Premises, it would also pay the STB Override with respect to the coal mined and sold from such premises.

37. The parties to the 1994, 2005 and 2007 transactions always understood that the STB Override Agreement was a part of the same transaction as the Leases, such that the right to mine the Premises always included the obligation to pay the relevant portions of the STB Override. And, prior to RLC's bankruptcy, all parties acted consistent with this understanding, as set forth in the agreements.

38. Only now, having declared bankruptcy, has RLC raised the novel and false argument that it can assume the Leases, continue mining coal from the Premises, and escape the obligation to pay the STB Override on the coal that it desires to continue mining through the assumption of the Leases. Neither the terms of the agreements, the parties actions nor common sense allow for such an unprincipled and unfounded interpretation of the STB Transaction agreements.

39. In these counterclaims, the Arch Defendants seek a declaratory judgment that (i) RLC's obligation to pay the relevant portion of the STB Override is integrated with and not severable from the Debtors' rights and obligations under the Kelly-Hatfield Lease, the Lawson Heirs Lease, the Ark Assignment Agreement, the Amended and Restated Partial Assignment, the Magnum PSA and/or the Asset Purchase Agreement, which agreements are executory; and/or (ii) RLC's obligation to pay the relevant portion of the

STB Override remains tied to and runs with the Premises. The Arch Defendants also seek damages for the post-petition breach of the Kelly-Hatfield Lease, the Lawson Heirs Lease, the Ark Assignment Agreement, the Amended and Restated Partial Assignment, the Magnum PSA and/or the Asset Purchase Agreement. And, the Arch Defendants seek a finding that RLC is unjustly enriched by retaining the benefits under the Leases without payment of the relevant portions of the STB Override and that the proceeds of the coal mined and sold from the Premises (to the extent of the amounts owed under the STB Override Agreement) are to be held in constructive trust for the benefit of STB and/or Arch.

#### **JURISDICTION AND VENUE**

40. This Court has jurisdiction over RLC under 28 U.S.C. §§ 157 and 1334, and supplemental jurisdiction over these counterclaims under 28 U.S.C. § 1367 because the Arch Defendants' counterclaims arise out of the subject matter of the original action and are brought under Rule 13 of the Federal Rules of Civil Procedure and Rule 7013 of the Federal Rules of Bankruptcy Procedure.

41. Venue is proper in this jurisdiction pursuant to 28 U.S.C. § 1409.

#### **PARTIES**

42. Defendant Arch is a Delaware corporation with its principal place of business in St. Louis, Missouri. Defendant Arch is a party to the Guaranty and the Magnum PSA (each as defined below).

43. Defendant Ark Land is a Delaware corporation with its principal place of business in St. Louis, Missouri. Defendant Ark Land is a party to the Ark Assignment

Agreement, the Initial Partial Assignment, the Amended and Restated Partial Assignment (each as defined below), the Kelly-Hatfield Lease and the Lawson Heirs Lease.

45. On information and belief, Plaintiff RLC is a Delaware limited liability company. RLC is a party to the Ark Assignment Agreement, the Initial Partial Assignment and the Amended and Restated Partial Assignment. As discussed below, RLC also took an assignment of the Lawson Heirs Lease and partial assignments of the Kelly-Hatfield Lease. RLC and certain of its affiliates are debtors before this Court in cases proceeding under jointly administered case no. 12-51502-659.

46. On information and belief, Defendant STB is a Virginia corporation.

### **FACTUAL BACKGROUND**

47. RLC agreed to pay the portions of the STB Override corresponding to the portions of the Leases that it took assignments of at the various times that it took such assignments and in the same instruments pursuant to which it took such assignments. RLC took such assignments and agreed to pay the relevant portions of the STB Override pursuant to the following instruments: (i) the Ark Assignment Agreement, pursuant to which RLC took an assignment of the Lawson Heirs Lease,<sup>4</sup> (ii) the Partial Assignment and Assumption of Lease dated as of December 31, 2005 between Ark Land and RLC (the “Initial Partial Assignment”),<sup>5</sup> pursuant to which RLC took an assignment of a portion of the Kelly-Hatfield Lease, and (iii) the Amended and Restated Partial Assignment and

Assumption of Lease dated May 22, 2007 between Ark Land, Ark KH and RLC (the “Amended and Restated Partial Assignment”),<sup>6</sup> pursuant to which RLC took an assignment of an additional portion of the Kelly-Hatfield Lease.

**A. Ark Land’s 1994 Transaction With STB**

48. Ark Land agreed to pay the STB Override pursuant to the 1994 STB Transaction in which it acquired the Sellers’ interests in the Premises in exchange for, among other things, its agreement to pay the STB Override to STB on coal mined and sold from the Premises. The Parties to the STB Transaction understood and intended the obligations under the STB Override Agreement to be part of the same bundle of rights and obligations as the right to mine the Kelly-Hatfield Premises and the Lawson Heirs Premises.

49. The STB Transaction was memorialized in the Asset Purchase Agreement and the ancillary agreements thereto, including the Kelly-Hatfield Lease, the Lawson Heirs Lease, the Guyan Lease Assignment, the Liabilities Undertaking Agreement and the STB Override Agreement. As the express language of these agreements makes clear, they formed part of a single business transaction.

50. Under the Asset Purchase Agreement, the consideration delivered to the Sellers for their interests in the Premises included, among other things, (i) the lump sum payments required to be made at the closing of the STB Transaction pursuant to section 2.02(a) of the Asset Purchase Agreement, (ii) the execution and delivery by Ark Land of the STB Override Agreement pursuant to section 2.02(b)(i) of the Asset Purchase Agreement and (iii) Ark Land’s assumption of obligations with respect to the leases of the Premises,

<sup>6</sup> A true and correct copy of the Amended and Restated Partial Assignment is attached hereto as Exhibit 3.

including under section 2 of the Guyan Lease Assignment and pursuant to the Liabilities Undertaking Agreement, which Liabilities Undertaking Agreement Ark Land was required to deliver pursuant to section 2.02(b)(iv) of the Asset Purchase Agreement.

51. The Asset Purchase Agreement expressly referred to delivery and execution of the STB Override Agreement and the Liabilities Undertaking Agreement as “additional consideration for the sale, transfer, conveyance, assignment and delivery of the Acquired Assets”, which Acquired Assets (as defined in the Asset Purchase Agreement) included the Sellers’ interest in the Premises. See Asset Purchase Agreement § 2.02(b).

52. The STB Override Agreement was executed concurrently with the Asset Purchase Agreement on October 31, 1994, which is also the date of each of the Guyan Lease Assignment, the Liabilities Undertaking Agreement, the Kelly-Hatfield Lease and the Lawson Heirs Lease. The STB Override Agreement required Ark Land to pay an overriding royalty on each ton of coal mined and sold from the Premises.

53. It is clear on the face of the STB Override Agreement that it is part of the larger STB Transaction and that it is meant to be construed together with the Leases. For example, the STB Override Agreement expressly references the Kelly-Hatfield Lease and the Lawson Heirs Lease. The second whereas clause of the STB Override Agreement states that the “parties contemplate that the Premises shall be demised by those two certain novation leases from (i) Lawson Heirs, Inc. to [Ark Land], dated October 31, 1994; and (ii) the Kelly-Hatfield Land Company, to [Ark Land], dated October 31, 1994 . . . .” Section 2 of the STB Override Agreement states that such agreement “shall take effect as of the Closing Date [(as defined in the Asset Purchase Agreement)] and shall continue for a period coextensive with the primary term, and any extension or renewal thereof, of the

Leases . . . .” And, section 3 of the STB Override Agreement provides, among other things, that the “[t]erms and conditions within the Leases shall govern as to royalty determination, late payment penalties, and all similar purposes.”

54. Likewise, the STB Override Agreement expressly references the Asset Purchase Agreement. The first whereas clause of the STB Override Agreement states that “pursuant to that certain Asset Purchase Agreement, of even date, by and among [Ark, Apogee and the Sellers], Sellers have sold and transferred to [Ark and Apogee] the Acquired Assets . . . .” The Now, Therefore clause of the STB Override Agreement states that the agreements contained in the STB Override Agreement were given “in consideration of the mutual covenants and agreements contained herein and in the Asset Purchase Agreement”(emphasis added). And section 1 of the STB Override Agreement incorporates the defined terms of the Asset Purchase Agreement.

55. The express language of the Asset Purchase Agreement also makes clear that the STB Override Agreement is a part of the larger STB Transaction. For example, the entire agreement clause of the Asset Purchase Agreement includes the STB Override Agreement, the Guyan Lease Assignment, the Liabilities Undertaking Agreement, the Kelly-Hatfield Lease and the Lawson Heirs Lease as part of the “entire agreement” of the parties to the Asset Purchase Agreement. Specifically, the entire agreement clause of the Asset Purchase Agreement states that the Asset Purchase Agreement “(including the documents referred to [t]herein) . . . constitute the entire agreement of the parties [t]hereto . . . .” See Asset Purchase Agreement §9.07. The STB Override Agreement is referenced in section 2.02(b)(i) of the Asset Purchase Agreement; the Guyan Lease Assignment is referenced in section 2.03(b)(iii) of the Asset Purchase Agreement; the Liabilities

Undertaking Agreement is referenced in section 2.02(b)(iv) of the Asset Purchase Agreement; and the Kelly-Hatfield Lease and the Lawson Heirs Lease are novation leases of the leases assigned to Ark Land pursuant to the Guyan Lease Assignment, and such anticipated novation is referred to in the second whereas clause of the STB Override Agreement.

56. The language of the entire agreement clause of the STB Override Agreement is consistent with the fact that the STB Override Agreement is an integral part of the broader STB Transaction and not a standalone contract. The entire agreement clause of the STB Override Agreement specifies that the STB Override Agreement is integrated only “in respect of the Overriding Royalty specified [t]herein.” It does not state that the STB Override Agreement is a standalone integrated instrument in and of itself. See STB Override Agreement § 8.<sup>7</sup>

57. The execution of the STB Override Agreement was an integral part of the STB Transaction and the Sellers would not have sold their interests in the Premises to Ark Land and Apogee absent execution of the STB Override Agreement by Ark Land.

58. From the closing of the STB Transaction through the closing of the Magnum Transaction (as defined below) Ark Land paid the STB Override with respect to coal mined and sold from the Premises.

---

<sup>7</sup> On October 31, 1994, the same day as the execution of the Asset Purchase Agreement, Arch Mineral Corporation, predecessor in interest to Arch, executed a guaranty (the “Guaranty”) of Ark Land’s and Apogee’s obligations under the Asset Purchase Agreement and all documents delivered pursuant thereto—including the STB Override Agreement—in favor of STB and the other Sellers. STB has asserted that Arch will be obligated under the Guaranty if RLC does not pay the STB Override. A true and correct copy of the Guaranty is attached hereto as exhibit 4.

**B. Arch's and Ark Land's 2005 Transactions With Magnum and RLC**

59. RLC first became obligated to pay the portions of the STB Override corresponding to the coal properties that it was assigned in 2005 as part of a larger transaction between Arch and Magnum Coal Company (n.k.a. Magnum Coal Company, LLC, "Magnum," such transaction, the "Magnum Transaction") pursuant to which transaction RLC—then a subsidiary of Arch—and certain of its affiliates were sold by Arch to Magnum. As part of that transaction, RLC was assigned various assets and agreed to assume various corresponding liabilities. Specifically, as relevant here, (i) RLC took an assignment of the Lawson Heirs Lease and agreed to pay the STB Override with respect to coal mined and sold from the Lawson Heirs Premises, and (ii) RLC took an assignment of a portion of the Kelly-Hatfield Lease and agreed to pay the STB Override with respect to coal mined and sold from the assigned portion of the Kelly-Hatfield Premises.<sup>8</sup>

60. The Lawson Heirs Lease was assigned to RLC pursuant to the Ark Assignment Agreement on December 30, 2005—one day prior to the execution of the Magnum PSA. In the Ark Assignment Agreement, in addition to taking an assignment of the Lawson Heirs Lease, RLC agreed to assume the obligation to pay the STB Override with respect to coal mined and sold from the Lawson Heirs Premises and agreed to indemnify Ark Land for any liability incurred in connection with RLC's failure to pay the relevant portions of the STB Override. See Ark Assignment Agreement § 2.

61. A portion of the Kelly-Hatfield Lease was assigned to RLC on December 31, 2005, the same day as the execution of the Magnum PSA, pursuant to the Initial Partial Assignment (the portion of the Kelly-Hatfield Premises assigned pursuant to such

---

<sup>8</sup> The larger Magnum Transaction is memorialized in the Purchase and Sale Agreement dated as of December 31, 2005 between Arch and Magnum (the "Magnum PSA") and the ancillary document thereto. A true and correct copy of the Magnum PSA (excluding the Schedules and Exhibits thereto) is attached hereto as exhibit 5.

agreement, the “Initial Kelly-Hatfield Premises”). In the Initial Partial Assignment, in addition to taking an assignment of a portion of the Kelly-Hatfield Lease, RLC agreed to pay the STB Override “to the extent that the STB Override applies to coal mined from the Assigned Lease Portion of the Premises” and agreed to indemnify Ark Land for any failure to perform its obligations under the Initial Partial Assignment, including its obligation to pay the relevant portion of the STB Override. See Initial Partial Assignment § 2.

62. The parties to the Ark Assignment Agreement and the Initial Partial Assignment understood and intended RLC’s obligations to pay the STB Override with respect to coal mined and sold from the Lawson Heirs Premises and the Initial Kelly-Hatfield Premises to be part of the same bundle of rights and obligations as the right to mine the Lawson Heirs Premises and Initial Kelly-Hatfield Premises.

63. Upon information and belief, from the closing of the Magnum Transaction through the filing of its bankruptcy petition, RLC paid the STB Override with respect to coal mined and sold from the Lawson Heirs Premises and the Initial Kelly-Hatfield Premises.

**C. Ark Land’s and Ark KH’s 2007 Transaction with RLC**

64. Subsequent to the Magnum Transaction, in May of 2007, Ark Land assigned an additional portion of the Kelly-Hatfield Lease to RLC (the portion of the Kelly-Hatfield Premises assigned pursuant to such agreement, the “Additional Kelly-Hatfield Premises”). This assignment was memorialized in the Amended and Restated Partial Assignment, which, in addition to assigning the Additional Kelly-Hatfield Premises to RLC, acknowledged the fact that Ark KH had become the lessor with respect to the Kelly-Hatfield Premises as successor by merger of Kelly-Hatfield Land Company. In the

Amended and Restated Partial Assignment, Ark KH consented to the assignment of the Additional Kelly-Hatfield Premises to RLC as provided in the Amended and Restated Partial Assignment.

65. The Amended and Restated Partial Assignment amended and restated the Initial Partial Assignment and contained and confirmed RLC's agreement to pay the STB Override with respect to the portion of the Kelly-Hatfield Premises assigned to RLC—both the Initial Kelly-Hatfield Premises and the Additional Kelly-Hatfield Premises. As in the Initial Partial Assignment, the Amended and Restated Partial Assignment contained RLC's agreement to indemnify Ark Land for any failure to perform its obligations under the Amended and Restated Partial Assignment, including RLC's obligation to pay the relevant portion of the STB Override. See Amended and Restated Partial Assignment § 3.

66. As with the STB Transaction and the Magnum Transaction, the parties to the Amended and Restated Partial Assignment understood and intended RLC's obligation to pay the STB Override with respect to coal mined and sold from the Additional Kelly-Hatfield Premises to be part of the same bundle of rights and obligations as the right to mine the Additional Kelly-Hatfield Premises.

67. RLC first became obligated to pay the STB Override with respect to coal mined from the Additional Kelly-Hatfield Premises upon execution of the Amended and Restated Partial Assignment.

68. Ark Land retains the unassigned portion of the Kelly-Hatfield Premises to this day. Pursuant to the STB Override Agreement, so long as Ark Land retains such premises, Ark Land would be required to pay the relevant portion of the STB Override

with respect to such retained premises, to the extent that the STB Override Agreement applies, if Ark Land ever mines such premises and sells coal from such premises.

69. Upon information and belief, RLC paid the STB Override with respect to coal mined and sold from the Additional Kelly-Hatfield Premises from the time of the execution of the Amended and Restated Partial Assignment to the filing of its bankruptcy petition.

70. In each of the 2005 and 2007 transactions pursuant to which RLC agreed to assume the obligation to pay portions of the STB Override, the exclusive consideration that RLC was given for such commitments was its rights under the Leases with respect to the corresponding portions of the Premises.

**D. Continuing Material Obligations Remain under the Transaction Documents**

71. There are continuing material obligations among the parties to the Kelly-Hatfield Lease, the Lawson Heirs Lease, the Ark Assignment Agreement, the Amended and Restated Partial Assignment, the Magnum PSA and/or the Asset Purchase Agreement.

72. Without limiting the generality of the foregoing, the Arch Defendants note that RLC has moved the Court to assume the Kelly-Hatfield Lease and the Lawson Heirs Lease under section 365 of the Bankruptcy Code and that there are continuing material obligations under such Leases. Among other things, in exchange for paying royalties under the Lawson Heirs Lease and the Kelly-Hatfield Lease, RLC enjoys the right to mine the Lawson Heirs Premises and the assigned portion of the Kelly-Hatfield Premises.

**COUNT I**

**(Declaratory Judgment)**

73. The Arch Defendants repeat and reallege paragraphs 32 through 72 of the Counterclaims as though fully set forth herein.

74. An actual controversy exists between the Arch Defendants, STB and RLC as to (i) whether RLC's obligation to pay the relevant portions of the STB Override is integrated with or is severable from the Debtors' rights and obligations under any other agreements and (ii) whether such agreements are executory.

75. Accordingly, pursuant to 28 U.S.C. § 2201 and Bankruptcy Rule 7001, the Arch Defendants respectfully requests that this Court enter a declaratory judgment that (i) RLC's obligation to pay the relevant portion of the STB Override is integrated with and not severable from the Debtors' rights and obligations under the Kelly-Hatfield Lease, the Lawson Heirs Lease, the Ark Assignment Agreement, the Amended and Restated Partial Assignment, the Magnum PSA and/or the Asset Purchase Agreement, (ii) RLC's obligations to pay the relevant portions of the STB Override are executory and (iii) RLC is obligated to pay the relevant portions of the STB Override under section 365(d)(3) of the Bankruptcy Code pending assumption or rejection of the Kelly-Hatfield Lease and the Lawson Heirs Lease and/or, if such Leases have been assumed under section 365 of the Bankruptcy Code, to cure the defaults under the STB Override Agreement.

**COUNT II**

**(Declaratory Judgment)**

76. The Arch Defendants repeat and reallege paragraphs 32 through 75 of the Counterclaims as though fully set forth herein.

77. An actual controversy exists between the Arch Defendants, STB and RLC as to whether RLC's obligation to pay the relevant portion of the STB Override remains tied to and runs with the Premises.

78. Accordingly, pursuant to 28 U.S.C. § 2201 and Bankruptcy Rule 7001, the Arch Defendants respectfully requests that this Court enter a declaratory judgment that (i) RLC's obligation to pay the relevant portion of the STB Override remains tied to and runs with the Premises, (ii) RLC's obligations to pay the relevant portions of the STB Override are executory and (iii) RLC is obligated to pay the relevant portions of the STB Override under section 365(d)(3) of the Bankruptcy Code pending assumption or rejection of the Kelly-Hatfield Lease and the Lawson Heirs Lease and/or, if such Leases have been assumed under section 365 of the Bankruptcy Code, to cure the defaults under the STB Override Agreement.

### **COUNT III**

#### **(Post-Petition Breach of Contract)**

79. The Arch Defendants repeat and reallege paragraphs 32 through 78 of the Counterclaims as though fully set forth herein.

80. As described above, RLC covenanted to Ark Land to pay the relevant portions of the STB Override under three agreements: (i) the Ark Assignment Agreement, (ii) the Initial Partial Assignment and (iii) the Amended and Restated Partial Assignment. Under the Ark Assignment Agreement, Ark Land assigned to RLC the Lawson Heirs Lease and RLC agreed to pay the STB Override with respect to the Lawson Heirs Premises. Under the Initial Partial Assignment and the Amended and Restated Partial Assignment, Ark Land assigned portions of the Kelly-Hatfield Premises to RLC, and RLC agreed to pay

the portions of the STB Override with respect to such assigned portions of the Kelly-Hatfield Premises.

81. As described above, such covenants by RLC to pay the relevant portions of the STB Override with respect to such premises constitute a material portion of the consideration for such assignments. The Arch Defendants would not have entered into such assignments or the other documents entered into in connection therewith without such covenants by RLC.

82. RLC has ceased to pay the STB Override, but continues to mine the Premises. This failure constitutes a breach of material terms of the Ark Assignment Agreement, the Amended and Restated Partial Assignment and any agreements integrated therewith (including the Kelly-Hatfield Lease, the Lawson Heirs Lease, the Magnum PSA and/or the Asset Purchase Agreement), and the Arch Defendants have suffered damages as a result of such breach, including with respect to any amounts determined to be owed by the Arch Defendants under the Guaranty.

83. Furthermore, the damages from such mining and breach, to the extent conducted post-petition, are incurred for the benefit of the Plaintiff's estate and thus are allowable as an administrative expense pursuant to 11 U.S.C. § 503(b). Likewise, the Arch Defendants' claims for indemnification under the Ark Assignment Agreement and the Amended and Restated Partial Assignment with respect to RLC's failure to pay the relevant portions of the STB Override are allowable as an administrative expense pursuant to 11 U.S.C. § 503(b).

**COUNT IV**

**(Unjust Enrichment/ Constructive Trust)**

84. The Arch Defendants repeat and reallege paragraphs 32 through 83 of the Counterclaims as though fully set forth herein.

85. As described above, in each of the 2005 and 2007 transactions in which Ark Land assigned portions of the Premises to RLC, RLC agreed to assume the obligation to pay the STB Override with respect to the coal mined and sold from the assigned portions of the Premises.

86. RLC has ceased to pay the STB Override, but continues to mine the Premises. RLC's agreement to pay the portions of the STB Override corresponding to the portions of the Premises that it took assignments of was a material portion of the consideration given by RLC for such assignments. To allow RLC to continue to mine the Premises without paying the relevant portions of the STB Override would be unconscientious, inequitable and would unjustly enrich RLC.

87. The Arch Defendants have suffered damages as a result of RLC's failure to pay the relevant portions of the STB Override. The damages from such mining, to the extent conducted post-petition, are incurred for the benefit of the Plaintiff's estate and thus are allowable as an administrative expense pursuant to 11 U.S.C. § 503(b).

88. Moreover, the revenue generated by RLC from the sale of coal mined from the Premises, to the extent of the amounts owed and payable under the STB Override Agreement, constitute property that in equity ought to be held in constructive trust for the benefit of STB and/or Arch, which property held in constructive trust accordingly is not property of RLC's bankruptcy estate.

**WHEREFORE**, the Arch Defendants respectfully request that judgment be entered in their favor as follows:

- (i) Dismissing the Complaint;
- (ii) Entering a declaratory judgment that (a) RLC's obligation to pay the relevant portion of the STB Override is integrated with and not severable from the Debtors' rights and obligations under the Kelly-Hatfield Lease, the Lawson Heirs Lease, the Ark Assignment Agreement, the Amended and Restated Partial Assignment, the Magnum PSA and/or the Asset Purchase Agreement, (b) RLC's obligations to pay the relevant portions of the STB Override are executory and (c) RLC is obligated to pay the relevant portions of the STB Override under section 365(d)(3) of the Bankruptcy Code pending assumption or rejection of the Kelly-Hatfield Lease and the Lawson Heirs Lease and/or, if such Leases have been assumed under section 365 of the Bankruptcy Code, to cure the defaults under the STB Override Agreement;
- (iii) Entering a declaratory judgment that (a) RLC's obligations to pay the relevant portions of the STB Override remain tied to and runs with the Premises, (b) RLC's obligations to pay the relevant portions of the STB Override are executory and (c) RLC is obligated to pay the relevant portions of the STB Override under section 365(d)(3) of the Bankruptcy Code pending assumption or rejection of the Kelly-Hatfield Lease and the Lawson Heirs Lease and/or, if such Leases have been assumed under section 365 of the Bankruptcy Code, to cure the defaults under the STB Override Agreement;
- (iv) Awarding the Arch Defendants damages in an amount to be determined at trial on their Second Counterclaim and allowing such damages as administrative expenses pursuant to 11 U.S.C. § 503(b);
- (v) Finding that RLC's continued mining of the Premises without the payment of the relevant portions of the STB Override is unconscientious, inequitable and unjustly enriches RLC, awarding damages in an amount to be determined at trial on their Fourth Counterclaim and allowing such damages as administrative expenses pursuant to 11 U.S.C. § 503(b) and/or finding that the revenue generated by the coal mined and sold from the Premises, to the extent of the amounts owed and payable under the STB Override Agreement, are held in constructive trust for STB and/or Arch and that such property held in constructive trust is not property of RLC's bankruptcy estate;
- (vi) Awarding costs, expenses and attorneys fees to the Arch Defendants; and

- (vii) Granting the Arch Defendants such other relief as the Court deems just and proper.

**PARTIAL ASSIGNMENT AND ASSUMPTION OF LEASE**

**THIS PARTIAL ASSIGNMENT AND ASSUMPTION OF LEASE** is made and entered into this 31st day of December, 2005, by and between **ARK LAND COMPANY**, a Delaware corporation ("Assignor") and **ROBIN LAND COMPANY, LLC**, a Delaware limited liability company ("Assignee").

**WITNESSETH:**

**WHEREAS**, Kelly-Hatfield Land Company ("Lessor") and Assignor have heretofore entered into a Combined, Amended and Restated Coal Lease dated October 31, 1994, relating to certain real property located in Boone and Logan Counties, West Virginia (the "Premises"), which Combined, Amended and Restated Coal Lease has subsequently been supplemented and amended by Lessor and Assignor (the "Lease"); and

**WHEREAS**, Assignee has requested that Assignor partially assign its rights and obligations under the Lease to Assignee relating to a portion (the "Assigned Lease Portion") of the Premises covered by the Lease, with such Assigned Lease Portion of the Premises being more particularly described and set forth on the map attached hereto, made a part hereof and marked identification as Exhibit A; and

**WHEREAS**, Assignor is willing to grant the request of Assignee to acquire the Assigned Lease Portion of the Premises by partial assignment of the rights and obligations of Assignor under the Lease in and to the Assigned Lease Portion, and Assignee desires to accept such partial assignment of the Lease and the rights, titles and interests of Assignor thereunder relating to the Assigned Lease Portion of the Premises on the terms and conditions herein set forth.

**NOW, THEREFORE**, for and in consideration of the mutual covenants and conditions set forth hereinafter, Assignor does hereby assign unto Assignee all of its rights, titles and interests under the Lease insofar as the Lease pertains only to the Assigned Lease Portion of the Premises on the following terms and conditions:

1. This Partial Assignment is made upon and subject to the terms, conditions, rights, privileges, indemnities and undertakings contained in the Lease. Assignor assigns only such rights and privileges to the Assigned Lease Portion of the Premises under the Lease as it now owns, controls or possesses. Lessee excepts, reserves and retains and does not assign by this Partial Assignment all rights and interests under the Lease pertaining to that portion of the Premises remaining (the "Remaining Lease Portion") after the partial assignment of the Assigned Lease Portion of the Premises.

2. Insofar as the Lease applies to the Assigned Lease Portion of the Premises, Assignee, as of the Effective Date, hereby assumes, accepts and agrees to perform the duties and obligations of Assignor contained in or arising under the Lease in accordance

with the terms and conditions thereof, and Assignee also assumes the obligation to pay the "STB Override" to the extent that the STB Override applies to coal mined from the Assigned Lease Portion of the Premises. Further, inasmuch as Assignor is required by the Lease to remain responsible for the performance by Assignee of the terms and conditions of the Lease, Assignee agrees to indemnify and hold Assignor and its related companies from any liability, expense or loss arising out of or in connection with the Lease as it relates to the Assigned Lease Portion.

3. Assignor represents and warrants to Assignee that it has no knowledge of any default or event of default under the Lease relating to the Assigned Lease Portion of the Premises or otherwise, which with the giving of notice or the passage of time, or both, would constitute such a default, and that it has not made any prior transfer of the Lease which would affect the Assigned Lease Portion of the Premises, other than an intercompany Lease and Sublease dated January 1, 1995, between Assignor and Apogee Coal Company d/b/a Arch of West Virginia.

4. In addition to the Assigned Lease Portion, Assignor does hereby assign and set over to Assignee all of the Assignor's rights, titles and interests in and to the recoupable balance of Advance Minimum Royalty payments previously made by Assignor to Lessor pursuant to Section 6 of the Lease, and from and after the Effective Date, Assignee rather than Assignor shall have the right to recoup and offset Tonnage Royalties otherwise due for coal mined by Assignee from the Assigned Lease Portion of the Premises against such recoupable balance subject to the terms, conditions and limitations set forth in the Lease. Further, on each January 1<sup>st</sup> after the Effective Date, Assignee, rather than Assignor, shall be obligated to pay to Lessor the Advance Minimum Royalty amount currently required (i.e., \$500,000.00) by Section 6 of the Lease as and when such Advance Minimum Royalty Payments become due, and on a going forward basis, Assignor shall not take any recoupment for Tonnage Royalties due for coal mined from the Remaining Lease Portion. For all taxes which are required to be paid by the lessee under the Lease, Assignor and Assignee understand and agree that as and when such taxes are due and payable Assignor and Assignee shall each timely pay their proportionate part of such taxes based on the portion of such taxes as are attributable to the portion of the Premises held by Assignor and Assignee

5. Further, the parties hereto understand and agree that Assignor shall retain all of its rights relating to the Spruce Fork Surface Property, as more particularly described and set forth in Amendment No. 1 to the Lease, but Assignee agrees, and does hereby assume all obligations of Assignor, to make the nine (9) remaining Six Hundred Fifty Thousand Dollar (\$650,000.00) payments as are required pursuant to Paragraph 4 of Amendment No. 1 to the Lease, but Assignee shall not acquire any rights in and to the Spruce Fork Surface Property by virtue of such payments.

6. This Agreement shall be governed by and construed in accordance with the laws of the State of West Virginia.

7. This Agreement and all applicable provisions of the Lease set forth the entire agreement between the parties and supercede all prior and contemporaneous agreements, representations and understandings of the parties. No supplement, modification or amendment to this Agreement shall be binding on the parties hereto unless executed in writing by Assignor and Assignee.

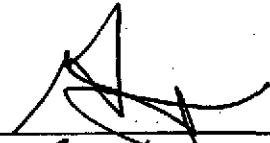

8. The parties hereto further understand and agree that the "Effective Date" of this Agreement shall be the date on which all parties hereto have added their signatures hereto.

IN WITNESS WHEREOF, the parties, through their duly authorized officers or representatives have caused this Agreement to be executed as of the date which follows their individual signatures.

**AMENDED AND RESTATED PARTIAL ASSIGNMENT  
AND ASSUMPTION OF LEASE**

**THIS AMENDED AND RESTATED PARTIAL ASSIGNMENT AND ASSUMPTION OF LEASE** (“Amended and Restated Partial Assignment”) is made and entered into this 22<sup>nd</sup> day of May, 2007, by and between **ARK LAND COMPANY**, a Delaware corporation (“Assignor”), **ROBIN LAND COMPANY, LLC**, a Delaware limited liability company (“Assignee”) and **ARK LAND KH, INC.**, a Delaware corporation (“Consenting Lessor” and sometimes hereinafter referred to as “Lessor”).

**WITNESSETH:**

**WHEREAS**, by Combined, Amended and Restated Coal Lease dated October 31, 1994 (“1994 Lease”), between Kelly-Hatfield Land Company (“Kelly Hatfield”), remote predecessor in interest to the Consenting Lessor, and Assignor, Kelly Hatfield leased unto Assignor certain real property located in Boone and Logan Counties, West Virginia, which Combined, Amended and Restated Coal Lease was subsequently supplemented and amended by Kelly Hatfield and Assignor by the Amendment No. 1 to Combined, Amended and Restated Coal Lease dated November 20, 2000 (the “Amendment”, and jointly with the 1994 Lease, the “Lease”) (the property described in the 1994 Lease and Amendment hereinafter referred to as the “Premises”); and

**WHEREAS**, on December 31, 2005 pursuant to the Partial Assignment and Assumption of Lease (“Partial Assignment”), Assignor partially assigned its rights and obligations under the Lease to Assignee relating to a portion (the “December 2005 Assigned Lease Portion”) of the Premises covered by the Lease, with such Assigned Lease Portion of the Premises being more particularly described and set forth on the map attached hereto, made a part hereof and marked identification as Exhibit A; and

**WHEREAS**, by mesne conveyances, Consenting Lessor became the owner of the Premises as successor by merger, name change and conversion, and, thus, the successor in interest as Lessor to Kelly Hatfield under the Lease, all as more particularly described in that certain Confirmatory Deed dated March 7, 2007 and recorded in Deed Book 253, page 836, Boone County Clerk’s office, and in Deed Book 584, page 409, Logan County Clerk’s office.

**WHEREAS**, Assignee has requested that Assignor partially assign further rights and obligations under the Lease to Assignee relating to a portion of the Premises covered by the Lease (the “May 2007 Assigned Lease Portion”) being more particularly described as all of the mineable and merchantable coal in the Buffalo Creek Seam and all seams lying vertically above the Buffalo Creek Seam, within and underlying certain property located in Logan County, West Virginia and depicted in the color “Yellow” and the right to use that certain road depicted in the color “Red” all as set forth on the map attached hereto, made a part hereof and marked identification as Exhibit B (the May 2007

Assigned Lease Portion together with December 2005 Assigned Lease Portion, the “Assigned Lease Portion”); and

**WHEREAS**, Assignor is willing to amend and restate the Partial Assignment to grant the request of Assignee to acquire the May 2007 Assigned Lease Portion of the Premises by partial assignment of the rights and obligations of Assignor under the Lease in and to the May 2007 Assigned Lease Portion, and Assignee desires to accept such partial assignment of the Lease and the rights, titles and interests of Assignor thereunder relating to the May 2007 Assigned Lease Portion of the Premises on the terms and conditions herein set forth; and

**WHEREAS**, Consenting Lessor is willing to consent to this Amended and Restated Partial Assignment as provided herein.

**NOW, THEREFORE**, for and in consideration of the mutual covenants and conditions set forth hereinafter, Assignor does hereby assign unto Assignee all of its rights, titles and interests under the Lease insofar as the Lease pertains only to the Assigned Lease Portion of the Premises on the following terms and conditions:

1. This Amended and Restated Partial Assignment is made upon and subject to the terms, conditions, rights, privileges, indemnities and undertakings contained in the Lease. Assignor assigns only such rights and privileges to the Assigned Lease Portion of the Premises under the Lease as it now owns, controls or possesses. Lessee excepts, reserves and retains and does not assign by this Partial Assignment all rights and interests under the Lease pertaining to that portion of the Premises remaining (the “Remaining Lease Portion”) after the partial assignment of the Assigned Lease Portion of the Premises.

2. Consenting Lessor hereby consents to the assignment of the Assigned Lease Portion of the Premises as provided herein.

3. Insofar as the Lease applies to the Assigned Lease Portion of the Premises, Assignee, as of December 31, 2005 with respect to the December 2005 Assigned Lease Portion and the date of this Amended and Restated Partial Assignment with respect to the May 2007 Assigned Lease Portion, hereby assumes, accepts and agrees to perform the duties and obligations of Assignor contained in or arising under the Lease in accordance with the terms and conditions thereof, and Assignee also assumes the obligation to pay the “STB Override” as defined and identified in that certain Overriding Royalty Agreement dated October 31, 1994 between Assignor and STB Ventures, Inc. and as assigned to Assignee by that certain Assignment and Assumption Agreement dated December 30, 2005 between Assignor and Assignee to the extent that the STB Override applies to coal mined from the Assigned Lease Portion of the Premises. Further, inasmuch as Assignor is required by the Lease to remain responsible for the performance by Assignee of the terms and conditions of the Lease, Assignee agrees to indemnify and hold harmless Assignor and its related companies from any liability, expense or loss arising out of or in connection with the Lease as it relates to the Assigned Lease Portion.

4. Assignor represents and warrants to Assignee that it has no knowledge of any default or event of default under the Lease relating to the Assigned Lease Portion of the Premises or otherwise, which with the giving of notice or the passage of time, or both, would constitute such a default, and that it has not made any prior transfer of the Lease which would affect the Assigned Lease Portion of the Premises, other than an intercompany Lease and Sublease dated January 1, 1995, between Assignor and Apogee Coal Company d/b/a Arch of West Virginia.

5. In addition to the Assigned Lease Portion, Assignor does hereby assign and set over to Assignee all of the Assignor's rights, titles and interests in and to the recoupable balance of Advance Minimum Royalty payments previously made by Assignor to Lessor pursuant to Section 6 of the Lease, and from and after the December 31, 2005, Assignee rather than Assignor shall have the right to recoup and offset Tonnage Royalties otherwise due for coal mined by Assignee from the Assigned Lease Portion of the Premises against such recoupable balance subject to the terms, conditions and limitations set forth in the Lease. Further, on each January 1<sup>st</sup> after the December 31, 2005, Assignee, rather than Assignor, shall be obligated to pay to Lessor the Advance Minimum Royalty amount currently required (i.e., \$500,000.00) by Section 6 of the Lease as and when such Advance Minimum Royalty Payments become due, and on a going forward basis, Assignor shall not take any recoupment for Tonnage Royalties due for coal mined from the Remaining Lease Portion. For all taxes which are required to be paid by the lessee under the Lease, Assignor and Assignee understand and agree that as and when such taxes are due and payable Assignor and Assignee shall each timely pay their proportionate part of such taxes based on the portion of such taxes as are attributable to the portion of the Premises held by Assignor and Assignee

6. Further, the parties hereto understand and agree that Assignor shall retain all of its rights relating to the Spruce Fork Surface Property, as more particularly described and set forth in the Amendment, but Assignee agrees, and does hereby assume all obligations of Assignor, to make the eight (8) remaining Six Hundred Fifty Thousand Dollar (\$650,000.00) payments as are required pursuant to Paragraph 4 of the Amendment, but Assignee shall not acquire any rights in and to the Spruce Fork Surface Property by virtue of such payments.

7. Assignee hereby acknowledges that Ark Land KH, Inc. is the successor in interest as lessor under the Lease and that all duties and obligations under the Lease assumed by the Assignee hereunder and owed to the Lessor under the Lease and under this Amended and Restated Partial Assignment shall be owed to Ark Land KH, Inc.

8. This Agreement shall be governed by and construed in accordance with the laws of the State of West Virginia.

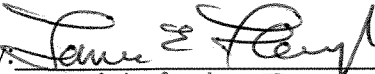

9. This Agreement and all applicable provisions of the Lease set forth the entire agreement between the parties and supercede all prior and contemporaneous agreements, representations and understandings of the parties. No supplement,

modification or amendment to this Agreement shall be binding on the parties hereto unless executed in writing by Assignor and Assignee.

10. The parties hereto further understand and agree that the "Effective Date" of this Agreement shall be the date on which all parties hereto have added their signatures hereto.

GUARANTY dated as of October 31, 1994, made by ARCH MINERAL CORPORATION, a Delaware corporation (the "Guarantor"), to and in favor of **Eagle Minerals Company** ("Eagle"), **STB Ventures, Inc.** ("STB"), **Guyan Mining Company**, of which G-N and Dare are Partner ("Guyan Mining"), and **Guyan Equipment Company**, of which G-N and Triple B are partner ("Guyan Equipment" and together with Guyan Mining as "the Partnerships" and together with Eagle and STB "the Sellers").

### W I T N E S S E T H:

WHEREAS, the Sellers and Apogee Coal Company and Ark Land Company, both Delaware corporations and wholly owned subsidiaries of the Guarantor (the "Purchasers"), are parties to that certain Asset Purchase Agreement, dated as of October 31, 1994 (the "Asset Purchase Agreement"), pursuant to which the Sellers have agreed to sell to the Purchasers, and the Purchasers have agreed to purchase from the Sellers, all of Sellers' interest in certain assets referred to therein as the Acquired Assets;

AND WHEREAS, the Guarantor has agreed to enter into this Guaranty in order to assist the Purchasers, for the mutual benefit of the Purchasers and the Guarantor, in the consummation of the transactions contemplated by the Asset Purchase Agreement and to secure for the Sellers the satisfaction of any and all obligations of the Purchasers under the Asset Purchase Agreement;

NOW, THEREFORE, in consideration of the premises and the mutual agreements and covenants hereinafter set forth, the parties hereto hereby agree as follows:

**SECTION 1. Guaranty.** The Guarantor hereby irrevocably and unconditionally guarantees to each of the Sellers the full, complete and prompt (taking into consideration applicable notice periods) performance by the Purchasers of all of the Purchasers' obligations, including all payment and indemnification obligations, under the Asset Purchase Agreement, and all documents delivered pursuant thereto (the "Obligations"), and agrees to pay all reasonable expenses (including outside counsel fees and expenses) incurred by the Sellers and their Affiliates (as defined in the Asset Purchase Agreement) in enforcing any rights under this Guaranty.

**SECTION 2. Guaranty Absolute.** The Guarantor guarantees that the Obligations will be paid strictly in accordance with the terms of the Asset Purchase Agreement, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Sellers with respect thereto. If there shall be a default by Purchaser in the payment or performance of the Obligations, in whole or in part, then Guarantor, upon written demand by any of the Sellers sent by certified mail, without notice other than such demand and without the necessity of further action by such Sellers, shall

promptly and fully make or cause to be made such payment or performance. The obligations of the Guarantor under this Guaranty are independent of the Obligations, and a separate action or actions may be brought and prosecuted against the Guarantor to enforce this Guaranty, irrespective of whether any action is brought against the Purchasers or whether the Purchasers are joined in any such action or actions. The liability of the Guarantor under this Guaranty shall be absolute and unconditional irrespective of:

- (i) any lack of validity or enforceability of the Asset Purchase Agreement or any other agreement or instrument relating thereto;
- (ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to departure from the Asset Purchase Agreement;
- (iii) any change, restructuring or termination of the corporate structure or existence of the Sellers or any of their Affiliates; or
- (iv) any other circumstances other than a Purchaser Defense (as defined below) which might otherwise constitute a defense available to, or a discharge of, the Purchaser or a guarantor.

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Obligations is rescinded or must otherwise be returned by the Purchasers upon the insolvency, bankruptcy or reorganization of a Purchaser or otherwise, all as though such payment had not been made.

**SECTION 3. Purchaser Defense.** As used herein, a "Purchaser Defense" shall mean any defense of the Purchasers asserted under the Asset Purchase Agreement with respect to the enforcement against it of an Obligation under the Asset Purchase Agreement.

**SECTION 4. Waiver.** The Guarantor hereby waives (a) notice of acceptance of this Guaranty and notice, demand and presentment thereof, (b) notice of any of the matters referred to in subsections (i) through (iv) of Section 2 of this Guaranty, (c) any presentment and demand (except as specified in Section 2 of this Guaranty), proof of notice of nonpayment notice of acceptance and any other notice with respect to any of the Obligations and (d) any requirement that the Sellers protect, secure, perfect or insure any security interest or lien or any property subject thereto or exhaust any right or take any action against the Purchasers (except for those procedures required by Section 7.05 of the Asset Purchase Agreement with respect to claims for indemnification) or any other person or entity or any collateral.

**SECTION 5. Subrogation.** Nothing in this Guaranty shall be construed as a waiver by Guarantor of any rights of subrogation to which the Guarantor may be entitled by way of

any rights or claims Purchasers may have under the Asset Purchase Agreement against any Seller, but any recovery upon such rights shall be had from a Seller separately and not by way of setoff hereunder.

SECTION 6. Continuing Guaranty. The obligations of the Guarantor hereunder shall be continuing and shall remain in full force and effect until the payment in full of the Obligations and all other amounts payable under this Guaranty, and all of such liabilities to which this Guaranty applies or may apply shall be conclusively presumed to have been created in reliance hereon.

SECTION 7. Obligations Not Affected. (a) The obligations of the Guarantor hereunder shall not be affected, impaired or diminished in any way by any act, omission, matter or thing whatsoever, occurring before, upon or after any demand for payment hereunder (and whether or not known or consented to by the Guarantor or either of the Sellers) which, but for this provision, might constitute a whole or partial defense to a claim against the Guarantor hereunder or might operate to release or otherwise exonerate the Guarantor from any of its obligations hereunder or otherwise affect such obligations, whether occasioned by default of either of the Sellers or otherwise.

(b) No failure or delay on the part of the Sellers in exercising any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The obligations of the Guarantor hereunder shall not be satisfied or discharged by any intermediate partial payment of any part of the monies or amounts which may at any time be or become owing or payable under or by virtue of or otherwise in connection with the Asset Purchase Agreement. No notice to or demand on the Guarantor in any case shall entitle the Guarantor to any other further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Sellers to any other or further action in any circumstances without notice or demand.

SECTION 8. No Obligation to Take Action Against the Purchasers. The Sellers shall not have any obligation to enforce or exhaust any rights or remedies or to take any other steps (except for those procedures required by Section 7.05 of the Asset Purchase Agreement with respect to claims for indemnification) for the Obligations or against the Purchasers or any other persons or any property of the Purchasers before the Sellers are entitled to demand payment and performance by the Guarantor of its liabilities and obligations under this Guaranty.

SECTION 9. Representations and Warranties. The Guarantor represents and warrants to the Sellers as follows:

(iii) the execution and delivery of this Guaranty by the Guarantor and the performance by the Guarantor of its obligations herein contemplated have been duly authorized by all requisite corporate action;

(iv) no order, consent, authorization, approval or other action by, and no notice to or filing with, any governmental authority or other regulatory body is required in connection with the due execution, delivery and performance by the Guarantor of this Guaranty or the legality, validity, binding effect or enforceability of this Guaranty; and

(v) this Guaranty has been duly executed and delivered by the Guarantor and constitutes a legal, valid and binding obligation of the Guarantor, enforceable in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers), reorganization, moratorium or other similar laws relating to or affecting the enforcement of creditors' rights generally, and subject to the effect of general principles of equity.

**SECTION 10. Remedies.** If the Guarantor fails to pay in accordance with the provisions of this Guaranty, the Sellers shall have the right to proceed in the enforcement of this Guaranty by any remedy provided by law, whether by legal proceedings or otherwise, and to recover from the Guarantor the Obligations and any other amounts payable hereunder.

**SECTION 11. Notices.** All notices and other communications provided for hereunder shall be sent to the Sellers or Purchaser in the manner and to the address set forth for notice in the Asset Purchase Agreement and to the Guarantor at: CityPlace One, St. Louis, Missouri 63141-7056, Attention: Jeffrey N. Quinn.

**SECTION 12. Amendments, Etc.** No amendment or waiver of any provision of this Guaranty, and no consent to any departure by the Guarantor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Sellers, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

**SECTION 13. Successors and Assigns.** This Guaranty shall be binding upon the Guarantor, its successors and assigns. This Guaranty shall not be assignable without the written consent of the Guarantor.

SECTION 15. Consent to Jurisdiction and Service of Process. The Guarantor hereby irrevocably submits to the jurisdiction of the federal District Court for the Western District of West Virginia or the federal District Court for the Southern District of West Virginia (the "Court") in any action or proceeding arising out of or relating to this Guaranty, and the Guarantor hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such court. The Guarantor hereby irrevocably consents to service of process outside the territorial jurisdiction of the Court in the manner permitted by law.

SECTION 16. Entire Agreement. This Guaranty constitutes the entire agreement between the parties with respect to the subject matter and supersedes all prior negotiations, undertakings, representations and understandings.

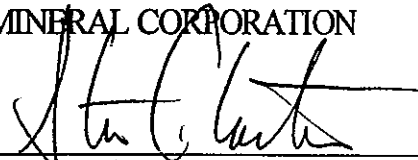

SECTION 17. Severability. Any provision of this Guaranty which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction unless its removal would substantially defeat the basic intent, spirit, and purpose of this Guaranty.

SECTION 18. Counterparts. This Guaranty may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to constitute one and the same agreement.

IN WITNESS WHEREOF, the Guarantor has caused this Guaranty to be duly executed and delivered by its proper and duly authorized officers as of the day and year first written above.

(n) Except as set forth on Schedule 4.2.14(n), none of the Arch ERISA Entities has any formal plan or commitment, whether legally binding or not, to create any additional benefit plan or modify or change any existing Arch Benefit Plan that would affect any current or former employee of the Arch Companies (or their predecessors).

Therefore, for the 2005 plan year, a Covered Employee will receive an annual cash balance credit if he or she is credited with at least 1,000 hours of service under the Retirement Account Plan and is otherwise an eligible participant under the terms of the plan. Interest credits (as defined in the plan) are credited to each notional account under the Retirement Account Plan as of the last day of each month (prior to the crediting of any annual or transition credits). In addition, and notwithstanding the previous sentence, for the 12 months following the Closing Date, the Company will maintain as to each Covered Employee a severance plan that is substantially equivalent to the severance plan to which such Covered Employee was entitled prior to the Closing Date.

(ii) Service Credit. The Company shall provide each Covered Employee with credit for all service with the Arch Companies and their respective Affiliates, including any service with predecessors of such entities, for vesting and eligibility purposes only under each employee benefit plan, program, or arrangement of the Company or its Affiliates in which such employee is eligible to participate, except to the extent that such service credit would result in a duplication of benefits with respect to the same period of service and in accordance with the eligibility and vesting requirements contained under such plans. With respect to each group health plan or welfare plan provided by the Company or its Affiliates as of the Closing Date in which the Covered Employees are eligible to participate after the Closing Date, the Company shall waive all limitations as to preexisting conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to the Covered Employees, provided that if such plan is provided under an insured arrangement, such waiver will occur only to the extent otherwise permitted under the applicable insurance contract or agreement, provided, further, that the Company shall use its best efforts to procure such waivers.

(iii) Notwithstanding any other provision of this Agreement, the Company (i) shall not be required to maintain a “defined benefit” plan, provided it maintains a “defined contribution” pension plan; (ii) shall not be required to maintain any form of nonqualified deferred compensation plan (as defined in Section 409(A) of the Code) except a plan which complies with the provisions of Section 409(A) of the Code; and (iii) may establish plans (including pension plans and 401(k) plans) within a reasonable time after the Closing (rather than having such plans in place at the Effective Time) with retroactive effect or other reasonable accommodation to Covered Employees, to the extent permitted by Laws.

(iv) As of the Closing Date, Arch shall cease all contributions in respect of each Covered Employee in Arch’s 401(k) Plan. As soon as reasonably practicable after

the Closing Date, the Company or one of its Affiliates shall have in effect one or more defined contribution plans that includes a qualified cash or deferred arrangement within the meaning of Code Section 401(k) ("Company's 401(k) Plan"). Each Covered Employee who was a participant in Arch's 401(k) Plan on the Closing Date shall be immediately eligible to participate in Company's 401(k) Plan. As soon as practicable following the Closing Date, Arch shall cause to be transferred to Company's 401(k) Plan cash or other assets (meaning notes evidencing loans to Covered Employees from their account balances) equal to the aggregate value of the account balances in Arch's 401(k) Plan as of the date of transfer for Covered Employees, including any qualified domestic relations orders, as defined in Code Section 414(p), applicable to the account balances of Covered Employees. Following such transfer of assets, Company's 401(k) Plan shall assume all obligations with respect to the transferred account balances and Arch and its Affiliates shall have no further liability to the Company or any Covered Employee under Arch's 401(k) Plan with respect to such transferred amounts. The Company's 401(k) Plan shall comply with Code Section 411(d)(6) with respect to the account balances transferred to Company's 401(k) Plan from Arch's 401(k) Plan, and the Company and its Affiliates shall indemnify and hold Arch and its Affiliates harmless from and against any losses arising from any failure to comply with such Code provision. The Company's 401(k) Plan shall comply with Code Section 411(d)(6).

(v) The Company or one of its Affiliates shall make sufficient funds available to Arch or its designee to allow Arch or its designee to administer the Company's flexible benefits plans in accordance with the terms of the Transition Services Agreement. Neither Arch nor any of its Affiliates shall be liable to make funds available to pay benefits claims under the Company's flexible benefits plan. Failure of the Company or one of its Affiliates to make sufficient funds available to process claims under the Company's flexible benefits plan shall be the sole liability of the Company.

(vi) The Company or an Affiliate of the Company, shall as soon as reasonably possible following the Closing, adopt a plan substantially similar to the Ashland Coal, Inc. Long-Term Disability Plan to provide long-term disability benefits to the LTD Individuals who are currently receiving benefits under the Ashland Coal, Inc. Long-Term Disability Plan due to their former employment with Hobet Mining.

(b) If any Arch Company is entitled to any payments, refunds or credits in connection with any claims of any Arch Company relating to the A.T. Massey Coal Company Case, and any such amounts are paid to the Company or any Arch Company, or the Company or any Arch Company receives any credit or refund in connection therewith following the Closing, the Company shall pay the amount of such payment, credit or refund to Arch within 10 business days of receipt thereof.

(c) After the Closing, the Company shall pay or cause the Arch Companies to pay all liabilities of Arch or the Arch Companies with respect to the Arch Companies Plans Employees under the Federal Mine Safety and Health Act of 1977, as amended, and applicable Federal and state laws for claims for disability or death due to "black lung" or pneumoconiosis, whenever created.

(d) Within 90 days following the Closing, the Company shall pay the Incentive Compensation Accrual to certain employees of the Arch Companies who were eligible under the annual incentive compensation plan of Arch prior to the Closing (a list of whom has been previously provided to the Company), determined in the Company's discretion. In the event the Company does not pay all or any portion of the Incentive Compensation Accrual to such employees within such time, the Company shall pay to Arch any amount of the Incentive Compensation Accrual not paid to such employees and such amount shall be deemed to be an increase to the Purchase Price.

(b) Arch agrees that it will not, and none of its Affiliates will, either for his or its own account or in connection with or on behalf of any Person during the Restricted Period, directly or indirectly, either for itself or any other Person, (i) induce, solicit or entice or attempt to induce, solicit or entice any employee at such time of the Company or its Subsidiaries at such time to leave the employ of thereof, or (ii) in any way interfere with the relationship between the Company or any of its Subsidiaries at such time and any of its employees at such time.

(c) In the event of a breach of any covenant set forth in this Article VII of this Agreement, the term of such covenant will be extended by the period of the duration of such breach. If any provision contained in this Article shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Section, but this Section shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. It is the intention of the parties that if any of the restrictions or covenants contained herein is in any way construed to be too broad or to any extent invalid, such provision shall not be construed to be null, void and of no effect, but to the extent such provision would be valid or enforceable under applicable Law, a court of competent jurisdiction shall construe and interpret or reform this Section to provide for a covenant having the maximum enforceable provisions (not greater than those contained herein) as shall be valid and enforceable under such applicable Law. Each party acknowledges that the other parties would be irreparably harmed by any breach of this Section and that there would be no adequate remedy at law or in damages to compensate such other parties for any such breach. The parties agree that other parties shall be entitled to injunctive relief requiring specific performance by such party of this Section.

**ARTICLE VIII**  
**Arch Guarantees**

8.1 Arch Guarantees.

(a) The Company agrees with Arch to use commercially reasonable efforts after the Closing Date to facilitate the release of Arch from its obligations under any guarantees (the “*Arch Guarantees*”) provided by it with respect to payments under (i) any of the coal mining leases held by any of the Arch Companies or any of the coal sales agreements set forth on Schedule 4.2.18(a)(x)(A), (ii) the Reclamation Bonds, and (iii) any of the bonds, letters of credit or guarantees set forth on Schedule 8.1(a) (the “*Miscellaneous Bonds*”). (c) In the event the Company fails to obtain the release of Arch from any guarantees related to the Miscellaneous Bonds within 360 days following the Closing Date, the Company shall post an irrevocable letter of credit for the aggregate bond or guarantee amounts outstanding under the Miscellaneous Bonds; provided, however, if at any time, ArcLight Energy Partners Fund L, L.P. owns (beneficially or of record) less than five percent (5%) of the outstanding equity of the Company, calculated on a fully diluted basis, the Company shall be required to obtain the release of Arch from any such guarantees related to the Miscellaneous Bonds within 30 days of such date.

(b) Arch agrees to furnish to the Company, upon request, as promptly as practicable, such information and assistance relating to the Arch Equity Interests and the Underlying Assets (including, without limitation, access to Books and Records and employees thereof) as is reasonably necessary for the preparation of financial statements, the performance of any financial audits, the filing of all Tax Returns, the making of any election relating to Taxes, the preparation for any audit by any taxing authority, the prosecution or defense of any claim, suit or proceeding relating to any Tax and the defense of the Arch Companies Litigation or the prosecution or defense of any other litigation by or against any Person (other than any litigation by Arch or the Company against the other Party); **provided, however**, in any case, the Company agrees to furnish to Arch upon reasonable request copies of those Books and Records that were delivered by Arch to the Company in connection with the consummation of the transactions contemplated hereby. Each Party shall retain all Books and Records with respect to Taxes and the matters in dispute in the Arch Companies Litigation pertaining to the Arch Equity Interests and the Underlying Assets for a period of at least six years following the Closing Date. At the end of such period, each Party shall provide the other with at least ten days prior written notice before destroying any such Books and Records, during which period the Party receiving such notice can elect to take possession, at its own expense, of such Books and Records. The Parties shall cooperate with each other in the conduct of any audit or other proceeding relating to Taxes or the Arch Companies Litigation involving the Arch Equity Interests, the Underlying Assets or the business thereof.

(c) If at any time prior to the second anniversary of the Closing Date, a Person challenges (whether or not through a legal proceeding) the title of any of the Arch Companies to the real property purported to be owned, leased or subleased by it, Arch shall, as and when reasonably requested by the Company, execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take, or cause to be taken, all such further or other actions, as the Company and Arch may reasonably deem necessary or desirable to defend the title of the relevant Arch Company thereto; **provided** that Arch shall not be required to expend any money in connection with compliance with this paragraph (c) to the extent that such expenditure does not exceed the threshold set forth in the proviso contained in Section 10.3(a).

10.2 Termination

### ARTICLE XI Miscellaneous

#### 11.1 Consents; Restriction on Assignment.

Anything in this Agreement to the contrary notwithstanding, this Agreement shall not constitute an agreement to assign any Arch Equity Interest, any Underlying Asset or any claim or right or any benefit arising thereunder or resulting therefrom if such assignment, without the consent of a third party thereto, would constitute a breach or other contravention of such Arch Equity Interest or Underlying Asset or in any way adversely affect the rights of Arch and the Company thereunder. Arch will use its commercially reasonable efforts to obtain the consent of the other parties to any such Arch Equity Interest or Underlying Asset or any claim or right or any benefit arising thereunder for the assignment thereof to the Company, if required, as the Company may request. If such consent is not obtained, or if an attempted assignment thereof would be ineffective or would adversely affect the rights of Arch thereunder so that the Company would not in fact receive all such rights, Arch and the Company will cooperate in a mutually agreeable arrangement under which the Company would obtain the benefits and assume the obligations thereunder in accordance with this Agreement, including sub-contracting, sub-licensing, or sub-leasing to the Company which Arch would enforce for the benefit of the Company, with the Company assuming Arch's obligations, any and all rights of Arch against a third party thereto. Arch will promptly pay to the Company when received all monies received

by Arch under any Arch Equity Interest, Underlying Asset or any claim or right or any benefit arising thereunder. In such event, Arch and the Company shall, to the extent the benefits therefrom and obligations thereunder have not been provided by alternate arrangements satisfactory to the Company and Arch, negotiate in good faith an adjustment in the consideration paid by the Company for the Arch Equity Interests.

11.2 Tax Matters.

(a) As between Arch and the Company, all real estate and personal property taxes relating to the assets of the Arch Companies (herein collectively referred to as the "*Arch Taxes*") shall be borne by Arch for the period of time prior to the Closing Date and by the Company for the period of time from and after the Closing Date. The Company shall pay the Arch Taxes for the tax period that includes the Closing Date and shall submit to Arch proof of payment of such Arch Taxes within a reasonable time of such payment for reimbursement by Arch under the terms of such leases. Arch shall fully reimburse the Company for any unpaid amounts of the Arch Taxes relating to the period of time prior to the Closing Date.

(b) The Company agrees that in the event any amounts are collected or received by any of the Arch Companies from and after the Closing with respect to any tax claims which related to a period ending on or prior to the Closing, including but not limited to those claims set forth in Schedule 11.2(b), filed by Arch relating to the Arch Companies, the Company as soon as practically possible shall pay over all such amounts to Arch (net of expenses). The Company agrees to permit Arch to control the prosecution of any such outstanding tax claims to which Arch or its Affiliates is entitled under this Section 11.2, and upon Arch's reasonable request in writing, the Company will, or will cause its relevant Affiliates to, authorize by appropriate powers of attorney such Persons as Arch designates to represent such Affiliates with respect to such claims. Arch shall indemnify the Company for any costs or expenses it incurs that are directly related to, or arise out of, Arch's prosecution of such outstanding tax claims

(c) From and after the Closing Date, Arch shall be liable for, and shall indemnify the Company and each of its officers, directors, employees, stockholders, agents and representatives against and hold them harmless from:

- (i) all liability for Income Taxes (as a result of Treasury Regulation §1.1502-6(a) or similar provision under applicable foreign, state or local Law) for Taxes of Arch or any other corporation which is or has been a member of the affiliated group, within the meaning of section 1504 of the Code, of which Arch is the common parent; and
- (ii) all liability for reasonable legal fees and expenses for any item attributable to any item in clause (i) above.

(d) The Company agrees that in the event (i) Arch is unable to fully deduct for federal and state income taxes VEBA Contributions and (ii) the Company

receives a Tax Benefit (as defined below) with respect to such Arch VEBA Contributions then the Company shall pay the Tax Benefit attributable to such Arch VEBA Contribution to Arch (net of any reasonable expenses directly attributable thereto). For purposes of this Section the Tax Benefit shall equal the actual amount of any reduction in federal or state income taxes when and to the extent received as a result of any deduction to the Company under Sections 162 and 419 attributable to the Arch VEBA Contribution (a "*Tax Benefit*"). The Company shall advise Arch on an annual basis of the amount of Tax Benefit, if any, attributable to the Arch VEBA Contribution and provide a calculation of such Tax Benefit. In the event Arch disagrees with the calculation of such Tax Benefit the parties shall negotiate in good faith to determine such Tax Benefit and absent reaching agreement as to the amount of such Tax Benefit the parties shall jointly retain a mutually acceptable nationally recognized accounting firm to resolve the dispute. The costs, fees and expenses of the accounting firm shall be borne by the non-prevailing party.

### 11.3 Grant of License.

(a) Subject to and effective upon (i) the Closing and (ii) the payment of \$100,000 in immediately available funds by the Company to Arch, the Company and its Affiliates shall have a non-exclusive, perpetual, non-transferable, non-sub-licensable right to use the Land Management Software to process transactions for any properties owned or leased by the Company or any of its Affiliates (the "*License*"); provided, however, such License shall terminate immediately in the event of a Change in Control of the Company. For purposes of this Section 11.3 only, a "*Change in Control*" shall mean any one of the following: (i) a transaction or series of related transactions that results in the sale or other disposition of all or substantially all of the Company's assets; or (ii) a Person becoming a beneficial owner of 30% or more of the outstanding voting securities of the Company by any one Person who is either (a) operational in the coal industry, or (b) not reasonably acceptable to Arch; provided, however, transfers to Affiliates of the Company which would otherwise result in a Change in Control under subsection (ii) above shall not be deemed to be a Change in Control.

(b) **ARCH IS GRANTING THE LICENSE ON AN "AS-IS, WHERE-IS" BASIS, AND MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, WRITTEN OR ORAL, AND TO THE MAXIMUM EXTENT PERMITTED BY LAW HEREBY DISCLAIMS ANY SUCH REPRESENTATIONS OR WARRANTIES (INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY, NON-INFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE), WHETHER BY ARCH OR ANY OF ITS AFFILIATES, INCLUDING WITHOUT LIMITATION, ANY OF THE ARCH COMPANIES, THEIR AFFILIATES, OR ANY OF THEIR OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, MEMBERS OR REPRESENTATIVES OR ANY OTHER PERSON, WITH RESPECT TO THE LICENSE OR THE LAND MANAGEMENT SYSTEM, NOTWITHSTANDING THE DELIVERY OF OR DISCLOSURE TO THE COMPANY, ANY AFFILIATE OF THE COMPANY OR ANY OF THEIR OFFICERS, DIRECTORS, EMPLOYEES, AGENTS OR REPRESENTATIVES**

**OR ANY OTHER PERSON OF ANY DOCUMENTATION OR OTHER INFORMATION BY ARCH OR ANY OF ITS AFFILIATES, OR ANY OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, MEMBERS OR REPRESENTATIVES OR ANY OTHER PERSON WITH RESPECT TO ANY ONE OR MORE OF THE FOREGOING.**

(c) Further, following the Closing, except as set forth in the Transition Services Agreement, Arch shall have no obligation to maintain, support, fix, update or enhance the data, source code and/or object code comprising the Land Management System or to provide any assistance to the Company or its Affiliates, including without limitation, the Arch Companies, relating to the use of the Land Management System.

11.4 Assignment; Successors and Assigns.

This Agreement and the rights and obligations hereunder shall not be assignable or transferable by either Party (including by operation of law in connection with a merger or consolidation of such Party) without the prior consent of the other Party hereto. Any attempted assignment in violation of this Section 11.4 shall be null and void and of no effect. The Agreement shall be binding upon and inure to the benefit of the Parties signatory hereto and their respective successors and assigns.

11.5 No Third Party Rights.

This Agreement is for the sole and exclusive benefit of the Parties hereto and their successors and permitted assigns, and nothing herein expressed or implied shall give, or be construed to give, to any Person, other than the Parties hereto and such successors and permitted assigns, any legal or equitable right, remedies or claims under or with respect to this Agreement or any provisions hereof.

11.6 Counterparts.

This Agreement may be executed in any number of counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more such counterparts have been signed by each of the Parties and delivered to the other Party. Any such counterpart may be delivered to a Party by facsimile.

11.7 Governing Law.

This Agreement shall be construed in accordance with, and this Agreement and all matters arising out of or relating in any way whatsoever (whether in contract, tort or otherwise) to this Agreement shall be governed by, the law of the State of New York, except to the extent that it is mandatory that the law of some other jurisdiction, wherein the Arch Equity Interests or Underlying Assets are located, shall apply.

11.8 Submission to Jurisdiction.

Each Party irrevocably submits to the exclusive jurisdiction of (a) the Supreme Court of the State of New York, New York County, and (b) the United States District Court for

the Southern District of New York, for the purposes of any suit, action or other proceeding arising out of this Agreement, any Ancillary Agreement or any transaction contemplated hereby or thereby. Each Party agrees to commence any such action, suit or proceeding either in the United States District Court for the Southern District of New York or if such suit, action or other proceeding may not be brought in such court for jurisdictional reasons, in the Supreme Court of the State of New York, New York County. Each Party further agrees that service of any process, summons, notice or document by U.S. registered mail to such Party's respective address set forth above shall be effective service of process for any action, suit or proceeding in New York with respect to any matters to which it has submitted to jurisdiction in this Section 11.8. Each Party irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement, any Ancillary Document or the transactions contemplated hereby and thereby in (i) the Supreme Court of the State of New York, New York County, or (ii) the United States District Court for the Southern District of New York, and hereby and thereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

11.9 Waiver of Jury Trial.

EACH PARTY HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, ANY TRANSACTION OR ANY TRANSACTION CONTEMPLATED HEREBY OR THEREBY. EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTY HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE TRANSACTION DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 11.9.

If any of the provisions of this Agreement are held by any court of competent jurisdiction to contravene, or to be invalid under, the Laws of any political body having jurisdiction over the subject matter hereof, such contravention or invalidity shall not invalidate the entire Agreement. Instead, this Agreement shall be construed as if it did not contain the particular provision or provisions held to be invalid, and an equitable adjustment shall be made and necessary provision added so as to give effect to the intention of the Parties as expressed in this Agreement at the time of execution of this Agreement.
