Re: Case No. 12-51502
Patriot Coal Bankruptcy Case

I am a retired U.M.W.A miner. I worked 31 yrs. for them. I just wanted to tell you how devastated my wife + I would be if this Patriot Coal Bankruptcy case is in favor of them. If we lose our Pension + Healthcare, we would go broke. I am 60, and my wife is 57. Along with age comes medical bills. If we lost our health care + pension, it would be next to impossible for us to buy insurance. We negotiated the contracts, and they promised that when I retired, I'd have a small pension + healthcare, and they are trying to break that promise with this case. Other Companies are watching this case, and seeing if Patriot gets away with this action, so they can do the same. Please rule in the miners favor. We thank you for your time.
