Dear Honorable Kathy A. Surratt-States:

I Know you have a very important decision to make. I do know how it will affect my husband , myself and thousands of other coal-miners and their families. We will not be able to re-organize our lives like Patriot Coal wants to do.

I never heard of Patriot Coal until it appeared on our health cards. We depend on our pension and healthcare benefits that was agreed upon by Peabody and Arch. They owe it to us. A contract is a binding agreement. Peabody knew Patriot would fail.

We do not want to end up on Public Assistance. We never have because we worked and the miners made the coal companys wealthy. They are a profitable and large company . Patriot wants to give their management folks large bonuses before they go bankrupt. This is a slap in the face to us.

Please give us a lot of consideration when you make your decision. Our nation was known for fairness to our workers. There needs to be reform in the laws that allow big companies to do this. Now, us little people need your help.

Thanks so much. Praying that we can be helped.
