

To The Hon. Kathy Surratt-States

My name is Coleman Burton and I retired from Arch Coal, not Patriot Coal. I am 81 years old and I was promised health care until I went to my grave. I have a manical heart valve, diabetic - on insulin, prostate cancer - lupron shots, lung surgery, knees were out - sepraz D shots, high blood pressure, blood thinner 10 mg a day. I don't know what I would do without my pension and medication. My wife is on several different medications too. If I lose all the above I would have to cut down on food

My God all of us  
Coleman Burton
