

Dear Honorable Kathy Surratta
My husband worked for Arch
Coal Co. for 40 yrs and he gave
the best part of his life for
the coal Co. And he needs his
medical & his check to survive.
He has sugar, hi B.P., high cholesterol,
he has a cyst on his kidney and
he takes about 10 different pills
a day. He loved working and
always expected to retire on
day, and now, when he needs
his medical card & check, we may
lose it. We could not survive
without them. We pray you
will have compassion on our
coal miners and help them
to keep their checks and medical
card. God will bless you if
you help our coal miners.
"Please"
