The Honorable Kathy A. Surratt-States,

Since my family will be affected by the decision you make in this case, I felt the need to write to you on their behalf. My son-in-law worked as a minor for underground and surface mines so that at his retirement his family would be covered by insurance. That insurance was part of the contract he worked under.

My family was blessed with three wonderful grandchildren, but through no Fault of their own, they were born with a degenerative neurological disease. At birth they appeared to be perfectly normal. As the years passed our oldest Grand-daughter passed away at 21 years old. My Grand -son age 30 and my Grand-daughter age 27 both now are confined to wheel chairs. They require continuous health care. That is why this insurance is so important .

My daughter and son-in-law have worked hard to see their children have a life as normal as possible. They saw they attended and graduated from high school, but would never be able to hold a job.

I pray you will make a decision that meets the needs of all these minors who worked under a contract assuring them of their benefits at retirement.

These minors are at risk, possibly losing all they have worked hard to achieve if they lose their insurance benefits.

Thank you for taking time to read this letter. I pray God will give you the wisdom to make the right decision in this case. May He bless you and keep you in His care.

Sincerely,

Bettye Moore
