U.S. BANKRUPTCY COURT  
EASTERN DISTRICT OF MISSOURI

I am ~~am~~ that is or will be affected by this Patriot bankruptcy. I worked 26 years with Arco Steel and Peabody there at Montcoal W.VA. No 7 mine, local Union 6608.

I lost my wife of 51 years of a wonderful marriage, 2 years ago next month 7-29-11. and to lose all that is in the making of this bankruptcy is to much to take place.

I never worked a day for Patriot coal. I was under a collective bargaining agreement and was told by Peabody I had this for life.

If I lose this then what will I do at 72 years of age. I had my back busted up there in the mine.

Montcoal Mine was where the 29 miners died. Some where friends, and I had worked with

②

Some. It is hard to believe that Patriot would try this here in America.

This is America, not Russia or China.

Your Honor I ask you to look at the back-bone of America and do the right thing for us who will lose it all.

Thank you  
and God Bless
