Your Honor,

Myself And my fellow  
Employees And Active Workers Are  
Waiting And Hoping Patiently As  
This Case moves Forward.

Most of us are senior  
people and can ill afford to buy  
health insurance in the event  
our coverage is cancelled. As we have  
stated many times before, this  
is a service we have all bought  
and paid for long ago.

Our long service with the company  
has done in good faith and with  
a negotiated promise that our health  
care would be for a lifetime, to do  
otherwise would be wrong and immoral.

Your Honor, most of us have  
serious health issues, and to throw  
us out now, because the company says  
it can't afford is just plain wrong.  
Company health insurance should not be  
a factor in determining our health care

Your Honor,

Compared to "enormous corporate  
weapons, we of our kind have little  
to fight with, this is why we  
seek refuge in your court; so we  
can have our voices heard.

Your Honor, as this case moves  
forward, we pray in your rulings that  
you will rule in favor of people's lives  
and corporate weapons to do what is  
just and morally right.

Sincerely,  
Vivian M. Kelly
