I was glad when they said unto me, let us go into the house of the Lord. Psalm 122:1

Dear Honorable Surratt-States:

The undersigned members of Nortonville Baptist Church, Nortonville, KY are writing this letter to oppose the efforts of Patriot Coal to take away the insurance benefits of its retirees. We have several members of our Church that are under Patriot, but never worked a day for Patriot. They retired from Peabody Coal. We feel this is wrong and should not be allowed.

We thank you for your time and consideration of this request.
