Re: Case # 12-51502

Your Honor,

I am writing to ask for your help in this case. You may want to know that if our pension and health care benefits are denied, my wife and I will be without much needed health care.

My wife, Wanda, and I both worked in the coal mines. We have many illnesses for which we take prescription medications. These medicines cost over \$15,000<sup>00</sup> a year. In 2009 alone, my wifes hospital bills were over \$365,000<sup>00</sup>. There is no way we could continue to receive health care as we have in the past.

I hope you will take this into consideration as you make your decision with Patriot Coal Co. and our promised retirement benefits, promised by Peabody Coal.

Respectfully,

James E. Warren
