Honorable Kathy A. Surratt - States,

My name is Katherine, I'm writing for my self and husband William. In reference to case 12-51502.

My husband worked for Peabody Coal Co, Never for Patriot Coal, retiring in 1994. Peabody moved his insurance and retirement to Patriot approx 5 yrs. ago.

Wm. was healthy and very seldom used his insurance. Now is when he really need it. He has stage III Chronic Kidney Disease. We are trying to keep him off Dylasis now, I don't know what we will do if his insurance is dropped. Other insurances will not accept Dylasis patients, even if we had the money to pay for it.

I wish you and yours well, I hope no one ever has to go through this.

If these miners don't have to face their responsibility, this will be another downfall of America.

Thank you so much for listening. God Bless.

William & Katherine Grace
