U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

April 22, 2013,

Dear Kathy,

I have worked for Peabody Coal Co. for 30 plus years. I was under the understanding that I would have health care and my pension when I retired. Now that I need my insurance and pension, Peabody has put me under Patriot Coal I didn't work for Patriot Coal. How can they do this. I fulfilled my end of the contract I gave eight hours of work for eight hours of pay. I took less in wages to have insurance and a pension. They signed contracts to this effect, from year to year. (contract to contract).

Are not they responsible to the contracts and promises they made + signed.

What else do we have to trust, except a man's word and a signed contract. If Peabody can do this, where else that leave the miners + the American workers.

Don't let Peabody Coal get away with this.

Now that we need our health care and pension, don't let Peabody Coal just throw us away.

Concerned,
