The Honorable Kathy A. Surratt - States

Dear Judge Surratt - States

I am writing to strongly urge you to support the Coalfield accountability and Retired Employee Act Case # 12-51502.

Peabody Coal Co. promised my father a pension & health benefits for the rest of his life. Now Peabody has formed Patriot Coal Co. in an effort to elude what was promised to retired employees.

My father worked for Peabody Coal Co for over 30 years. He never worked for Patriot Coal.

So, please support the coal miners. So that retired employees of Peabody Coal Co. get the pension & health benefits their entitled to for many years of hard labor & dedication to Peabody Coal.

If Peabody is not made to uphold their promise think about how many retirees would have to turn to the government for financial assistance & health assistance.

If Peabody gets away with this, keep this question in mind. How many other big corporations will try this to their retirees?

Sincerely,
Bob Adams
