

Honorable Kathy A. Surratt - ~~Plaintiff~~

I have written to you before I know the job that faces you, is hard but I go back to when my husband retired he worked for somebody for over 20 years. Where we come from a promise is a promise. I raised our children on those principles. My husband and myself both have health problems so taking our insurance away would be a real hard

ship. You are in our prayers every night I hope you do the right thing for us.

God Bless
Patty Starks
