EMPLOY AND RETAIN GREENBERG TRAURIG, LLP AS SPECIAL
COUNSEL FOR THE DEBTORS *NUNC PRO TUNC* TO MAY 1, 2013**

Patriot Coal Corporation (“**Patriot**”) and its subsidiaries that are debtors and debtors in possession in these proceedings (collectively, the “**Debtors**”) respectfully represent:

Relief Requested

1. By this application (the “**Application**”), the Debtors request the entry of an order (the “**Proposed Order**”) authorizing the Debtors, pursuant to sections 327(e) and 330 of title 11 of the United States Code (the “**Bankruptcy Code**”), Rule 2014(a) of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”) and Rule 2014 of the Local Rules of Bankruptcy Practice and Procedure for the United States Bankruptcy Court for the Eastern District of Missouri (the “**Local Bankruptcy Rules**”), to retain and employ Greenberg Traurig, LLP (“**Greenberg Traurig**”), *nunc pro tunc* to May 1, 2013 (the “**Effective Date**”) as special litigation counsel that will be required during these chapter 11 cases. The Debtors request that the Court approve the employment of Greenberg Traurig under the terms and conditions set forth in this Application, as more fully described in the Declaration of Mark E. Solomons, a Shareholder of Greenberg Traurig, attached hereto (the “**Declaration**”).

Background and Jurisdiction

2. On July 9, 2012 (the “**Petition Date**”), each Debtor commenced with the United States Bankruptcy Court for the Southern District of New York (the “**SDNY Bankruptcy Court**”) a voluntary case under chapter 11 of the Bankruptcy Code. On

December 19, 2012, the SDNY Bankruptcy Court entered an order transferring the Debtors' chapter 11 cases to this Court (the "**Transfer Order**") [ECF No. 1789].² The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. These cases are being jointly administered pursuant to Bankruptcy Rule 1015(b) and the SDNY Bankruptcy Court's Joint Administration Order entered on July 10, 2012 [ECF No. 30].

3. Additional information about the Debtors' businesses and the events leading up to the Petition Date can be found in the Declaration of Mark N. Schroeder pursuant to Local Bankruptcy Rule 1007-2 of the SDNY Bankruptcy Court, filed on July 9, 2012 [ECF No. 4], which is incorporated herein by reference.

4. The Court has subject matter jurisdiction to consider this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b) and may be determined by the Bankruptcy Court. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

Qualifications of Greenberg Traurig

5. Greenberg Traurig is an international law firm with over 1,800 attorneys in thirty-six (36) offices in major cities throughout the United States, Europe, the Middle East and Asia. Greenberg Traurig has extensive expertise and experience in both complex chapter 11 cases and litigation matters.

6. Greenberg Traurig is well qualified to represent the Debtors as special

² Pursuant to the Transfer Order, all orders previously entered in these chapter 11 cases remain in full force and effect in accordance with their terms notwithstanding the transfer of venue.

litigation counsel in these chapter 11 cases. Greenberg Traurig has for over 13 years, served as outside litigation counsel to the Debtors with respect to certain federal black lung litigation filed by third parties against the Debtors. Since the Petition Date, Greenberg Traurig has, with the Court's approval, provided essential legal services to the Debtors as an ordinary course professional with respect to certain federal black lung litigation. In this role, Greenberg Traurig has been instrumental to the Debtors' litigation needs. Greenberg Traurig's professionals have worked closely with the Debtors' management and, given both past and current representations, Greenberg Traurig is well-acquainted with, and has developed relevant experience and historical knowledge regarding, the Debtors' federal black lung litigation matters. Greenberg Traurig will continue to provide effective, efficient, and critical services to the Debtors in these chapter 11 cases.

7. The Debtors submit that the employment of Greenberg Traurig is necessary, appropriate and in the best interests of the Debtors, their estates and their creditors under sections 327(e) and 1107 of the Bankruptcy Code and should therefore be approved.

Scope of Services

8. By this Application, the Debtors seek to employ and compensate Greenberg Traurig on an hourly basis to act as the Debtors' special litigation counsel in these chapter 11 cases. In particular, the Debtors anticipate that Greenberg Traurig will render, among others, the following professional services:

- a. prepare, on behalf of the Debtors, all necessary and appropriate motions, proposed orders, other pleadings, notices and other documents in connection with certain federal black lung litigation (the "**Retained Matters**");
- b. advise and assist the Debtors in connection with any settlements

concerning the Retained Matters; and

- c. perform all other necessary or appropriate legal services in connection with the Retained Matters.

The Debtors require knowledgeable litigation counsel to provide these essential professional services.

9. Greenberg Traurig is authorized to advise the Debtors on the Retained Matters under the Order Authorizing the Debtors to Employ Ordinary Course Professionals, *Nunc Pro Tunc* to the Petition Date, entered by the SDNY Bankruptcy Court on August 2, 2012 (the “**OCP Order**”) [ECF No. 263]. Under the OCP Order, monthly fees for ordinary course professionals are capped at \$50,000 (the “**Monthly Cap**”), with any excess amounts requiring approval pursuant to the procedures set forth in the OCP Order. Furthermore, if payments to an ordinary course professional will exceed \$500,000 over the course of these chapter 11 cases (the “**Aggregate Cap**”), that professional must file a separate retention application under section 327 of the Bankruptcy Code.

10. Greenberg Traurig’s fees have never exceeded the Monthly Cap. However, the Debtors and Greenberg Traurig anticipate that Greenberg Traurig’s aggregate fees in these chapter 11 cases will exceed the Aggregate Cap during May 2013, roughly ten months after the Petition Date. Accordingly, the Debtors seek to retain Greenberg Traurig as special counsel under section 327(e) of the Bankruptcy Code.

11. Greenberg Traurig has stated its desire and willingness to continue to act in these cases and provide the necessary services as special litigation counsel for the Debtors. As noted above, Greenberg Traurig has substantial expertise with respect to the Debtors’ special litigation needs in connection with the Retained Matters. Accordingly, the Debtors

believe that Greenberg Traurig is both well qualified and uniquely able to represent the Debtors' interests as special litigation counsel.

Compensation

12. As set forth in the Declaration, Greenberg Traurig intends to (a) charge for its legal services in connection with the Retained Matters on an hourly basis at rates that reflect a substantial negotiated discount from the rates that Greenberg Traurig customarily charges for work of this type and (b) seek reimbursement of actual, necessary and documented out-of-pocket expenses.³ The Debtors believe that these rates are reasonable. A list of the professionals currently expected to provide services to the Debtors and the current hourly rates for these professionals for 2013 is attached to the Declaration as *Schedule 1*. Other attorneys may also provide services to the Debtors as well, depending on the legal issues facing the Debtors. Greenberg Traurig's hourly billing rates may change from time to time in accordance with Greenberg Traurig's established billing practices and procedures. Greenberg Traurig will maintain detailed, contemporaneous records of time spent, as well as any actual, necessary and documented expenses incurred, in connection with the rendering of the legal services described above by category and nature of the services rendered.

13. From and after the Effective Date, Greenberg Traurig intends to apply to the Court for payment of compensation and reimbursement of expenses in accordance with the

³ In connection with the preparation of this Application, including the Declaration, and the preparation and filing of all fee applications with the Court, Greenberg Traurig intends to seek (i) compensation for services rendered based upon standard and customary hourly billing rates in effect at the time services were rendered and (ii) reimbursement of actual, necessary and documented out-of-pocket expenses.

procedures set forth in the applicable provisions of section 330 of the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, the fee and expense guidelines established by the United States Trustee (the “**United States Trustee Guidelines**”) (collectively, the “**Fee Guidelines**”), the Order to Establish Procedures for Interim Monthly Compensation and Reimbursement of Expenses of Professionals entered on August 2, 2012 [ECF No. 262] (the “**Interim Compensation Order**”) and any other applicable orders of this Court. Greenberg Traurig has agreed not to share with any person or firm the compensation to be paid for professional services rendered in connection with the chapter 11 cases, other than as permitted pursuant to section 504 of the Bankruptcy Code.

14. The Debtors understand that, in connection with the reimbursement of reasonable and necessary expenses, it is Greenberg Traurig’s policy to charge its clients for certain expenses incurred in connection with providing certain client services, including travel, lodging, photocopying, postage, vendor charges, delivery service and other expenses incurred in providing professional services. Greenberg Traurig intends to seek reimbursement for expenses incurred in connection with the representation of the Debtors in accordance with Greenberg Traurig’s policy, subject to modification as may be required by the Fee Guidelines, the Interim Compensation Order and any other applicable orders of this Court. Greenberg Traurig understands that interim and final fee awards are subject to approval by this Court. The Debtors believe that the aforementioned fees and expense reimbursement policy are fair and reasonable in light of (a) industry practice, (b) market rates charged for comparable services both in and out of the chapter 11 context and (c) Greenberg Traurig’s experience with respect to these services.

Greenberg Traurig's Connections

15. To the best of the Debtors' knowledge, information and belief, other than in connection with these chapter 11 cases and in prior representations of the Debtors, Greenberg Traurig does not represent or hold any interest adverse to the Debtors or to the estates with respect to the Retained Matters on which Greenberg Traurig is to be employed, except for *de minimis* amounts owed by the Debtors for prepetition services rendered by Greenberg Traurig totaling approximately \$58,251.13; Greenberg Traurig does not have any connection with, and has not represented in the past, the United States Trustee for the Eastern District of Missouri, or any person employed by the Office of the United States Trustee for the Eastern District of Missouri; and is not connected with the Honorable Kathy A. Surratt-States approving this Application. Greenberg Traurig does not have any connection with the Debtors' creditors, any other party in interest, or its respective attorneys and accountants, except as set forth below:

- a. Greenberg Traurig has approximately 1,800 attorneys and many other employees. It is possible that certain Greenberg Traurig attorneys or employees hold interests in mutual funds or other investment vehicles that may own the Debtors' securities;
- b. From time to time, Greenberg Traurig has referred matters to some of the Debtors' professionals to be retained in these chapter 11 cases. Likewise, certain of the Debtors' professionals have referred matters to Greenberg Traurig; and
- c. From time to time, Greenberg Traurig likely has represented, and likely will continue to represent, certain creditors of the Debtors and other parties actually or potentially adverse to the Debtors in matters unrelated to the Debtors or these cases. Greenberg Traurig has undertaken a detailed search to determine whether it represents or has represented any significant creditors, equity security holders, insiders or other parties in interest in such unrelated matters, and all such known representations within the last three (3) years are

described in Schedule 2, attached to the Declaration. Due to the breadth of Greenberg Traurig's client base, the firm is not subject to undue influence of any single client.

16. Greenberg Traurig performed the following actions to determine whether Greenberg Traurig or any of its attorneys has any connections with, has in the past represented, or is currently representing potential parties in interest in these cases:

- a. A list of interested parties (the "**Interested Parties**") was created by the Debtors and provided to Greenberg Traurig;
- b. Greenberg Traurig compared each of the Interested Parties to the names that Greenberg Traurig maintains in its master client database created from its conflict clearance and billing records. Greenberg Traurig's client database includes: (i) the name of each current or former client; (ii) the names of any entities materially related to, or materially adverse to, such current or former client; (iii) the names of the Greenberg Traurig attorneys responsible for such current or former clients; (iv) the status of the matter as either "active" or "inactive"; and (v) the dates on which the matter was opened and/or closed and the date the last time entry was entered; and
- c. Any matches between the Interested Parties and the entities in Greenberg Traurig's client database were identified, reviewed by an attorney and compiled for purposes of the Declaration. To the extent that Greenberg Traurig currently represents, or has represented within the last three (3) years, any of the Interested Parties, the identities of such entities are set forth in Schedule 2, attached to the Declaration. In determining whether a client is presently represented by Greenberg Traurig, Greenberg Traurig attorneys relied on the existence of an "active" notation on the report to reflect current representation. With respect to matters showing as "inactive", Greenberg Traurig relied on the "close date" to determine whether the representation occurred within the past three (3) years and/or the date the last time entry was entered. If an "inactive" matter opened prior to April 22, 2010 showed no "close date" and no time entered within the past three years, Greenberg Traurig assumed for purposes of this disclosure that the matter was inactive during the past three years and did not include the client on Schedule 2 attached to the Declaration. If an "inactive" matter opened on or after April 22, 2010, but showed no "close date," the client is included on Schedule 2, attached to the Declaration.

17. The Debtors have been informed that Greenberg Traurig intends to conduct an ongoing review of matters it is handling to ensure that no disqualifying circumstances have arisen, and, if any new facts or relationships that Greenberg Traurig believes should be disclosed to this Court and the parties in interest in these cases are discovered, Greenberg Traurig will file a supplemental disclosure with the Court and serve such supplemental disclosure on the U.S. Trustee. If any new material, relevant facts or relationships are discovered between review periods, Greenberg Traurig will promptly file a supplemental disclosure with the Court and serve such supplemental disclosure on the U.S. Trustee.

18. Based upon the foregoing, to the best of the Debtors' knowledge, information, and belief, Greenberg Traurig represents no interest or holds any interest adverse to the Debtors or their estates with respect to the Retained Matters on which Greenberg Traurig is to be employed consistent with section 327(e) of the Bankruptcy Code. Accordingly, the Debtors believe that Greenberg Traurig should be engaged as special litigation counsel in these chapter 11 cases.

Basis for Relief Requested

19. Section 327(e) of the Bankruptcy Code provides that a debtor in possession may, with the court's approval, employ special counsel that does not hold any interest adverse to the debtor or its estate with respect to the matters upon which such special counsel is to be employed.

20. Greenberg Traurig's services are necessary to the successful functioning of these chapter 11 cases. Based upon both its extensive experience and expertise, and its

prior representation of the Debtors, Greenberg Traurig is both well-qualified and uniquely able to represent the Debtors with respect to its critical litigation needs in an efficient, cost-effective, and timely manner. Accordingly, the Debtors submit that the retention of Greenberg Traurig is in the best interests of the Debtors, their estates, and their creditors and should be approved by the Court.

Notice

21. Consistent with the Order Establishing Certain Notice, Case Management and Administrative Procedures [ECF No. 3361] (the “**Case Management Order**”), the Debtors will serve notice of this Application on the Core Parties. All parties who have requested electronic notice of filings in these cases through the Court’s ECF system will automatically receive notice of this Application through the ECF system no later than the day after its filing with the Court. A copy of this Application and any order approving it will also be made available on the Debtors’ Case Information Website (located at www.patriotcaseinfo.com). A copy of the Proposed Order will be provided to the Core Parties, and will be available at www.patriotcaseinfo.com/orders.php (the “**Patriot Orders Website**”). The Proposed Order may be modified or withdrawn at any time without further notice. If any significant modifications are made to the Proposed Order, an amended Proposed Order will be made available on the Patriot Orders Website, and no further notice will be provided. In light of the relief requested, the Debtors submit that no further notice is necessary. Pursuant to paragraph 14 of the Case Management Order, if no objections are timely filed and served in accordance therewith, the relief requested herein may be entered without a hearing.

22. In light of the nature of the relief requested herein, the Debtors submit that no other or further notice of this Application is necessary or required.

No Previous Request

23. No previous request for the relief sought herein has been made by the Debtors to this or any other court.

WHEREFORE, the Debtors respectfully request that the Court grant the relief requested herein and such other and further relief as is just and proper.

 § ss:
 §

I, Mark E. Solomons, hereby declare under penalty of perjury:

1. I am a shareholder in the law firm of Greenberg Traurig, LLP (“**Greenberg Traurig**”). I am admitted to practice before the courts of District of Columbia. I am duly authorized to make this Declaration (the “**Declaration**”) on behalf of Greenberg Traurig.

2. I submit this Declaration, pursuant to sections 327(e) and 329 of title 11 of the United States Code (the “**Bankruptcy Code**”), Rules 2014 and 2016(b) of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), and Rule 2014 of the Local Rules of Bankruptcy Practice and Procedure for the United States Bankruptcy Court for the Eastern District of Missouri (the “**Local Bankruptcy Rules**”), in support of the *Application of the Debtors for Authority to Employ and Retain Greenberg Traurig, LLP as Special Counsel for*

¹ The Debtors are the entities listed on Schedule 1 attached to the Application (as defined herein). The employer tax identification numbers and addresses for each of the Debtors are set forth in the Debtors’ chapter 11 petitions.

the Debtors Nunc Pro Tunc to May 1, 2013 (the “**Application**”).

3. Unless otherwise stated in this Declaration, I have personal knowledge of the facts set forth herein and, if called as a witness, I would testify thereto.² Certain of the disclosures set forth herein relate to matters not within my personal knowledge but rather within the knowledge of other attorneys and staff at Greenberg Traurig and are based on information provided by them.

Qualifications of Greenberg Traurig

4. Greenberg Traurig is an international law firm with over 1,800 attorneys in thirty-six (36) offices in major cities throughout the United States, Europe, the Middle East and Asia. Greenberg Traurig has extensive expertise and experience in both complex chapter 11 cases and litigation matters.

5. Greenberg Traurig is well qualified to represent the Debtors as special litigation counsel in these chapter 11 cases. Greenberg Traurig has, for over 13 years, served as outside litigation counsel to the Debtors with respect to certain federal black lung litigation filed by third parties against the Debtors. matters. Greenberg Traurig will continue to provide effective, efficient, and critical services to the Debtors in these chapter 11 cases.

Scope of Services

6. The Debtors seek to employ and compensate Greenberg Traurig on an hourly basis to act as special litigation counsel in these chapter 11 cases. In particular, the Debtors anticipate that Greenberg Traurig will render, among others, the following professional services:

- a. prepare, on behalf of the Debtors, all necessary and appropriate motions, proposed orders, other pleadings, notices and other documents in connection with certain federal black lung litigation (the “**Retained Matters**”);
- b. advise and assist the Debtors in connection with any settlements concerning the Retained Matters; and
- c. perform all other necessary or appropriate legal services in connection with the Retained Matters.

7. Greenberg Traurig is authorized to advise the Debtors on the Retained Matters under the Order Authorizing the Debtors to Employ Ordinary Course Professionals, *Nunc Pro Tunc* to the Petition Date, entered by the SDNY Bankruptcy Court on August 2, 2012 (the “**OCP Order**”) [ECF No. 263]. Under the OCP Order, monthly fees for ordinary course professionals are capped at \$50,000 (the “**Monthly Cap**”), with any excess amounts requiring approval pursuant to the procedures set forth in the OCP Order. Furthermore, if payments to an ordinary course professional will exceed \$500,000 over the course of these chapter 11 cases (the “**Aggregate Cap**”), that professional must file a separate retention application under section 327 of the Bankruptcy Code.

8. Greenberg Traurig’s fees have never exceeded the Monthly Cap. However, the Debtors and Greenberg Traurig anticipate that Greenberg Traurig’s aggregate

fees in these chapter 11 cases will exceed the Aggregate Cap during May 2013, roughly ten months after the Petition Date. Accordingly, the Debtors are seeking to retain Greenberg Traurig as special counsel under section 327(e) of the Bankruptcy Code.

9. Greenberg Traurig has stated its desire and willingness to continue to act in these cases and provide the necessary services as special litigation counsel for the Debtors. As noted above, Greenberg Traurig has substantial expertise with respect to the Debtors' special litigation needs in connection with the Retained Matters.

Compensation

10. Greenberg Traurig intends to (a) charge for its legal services in connection with the Retained Matters on an hourly basis at rates that reflect a substantial negotiated discount from the rates that Greenberg Traurig customarily charges for work of this type and (b) seek reimbursement of actual, necessary and documented out-of-pocket expenses.³ A list of the professionals currently expected to provide services to the Debtors and the current hourly rates for these professionals for 2013 is attached hereto as *Schedule 1*. Other attorneys may also provide services to the Debtors as well, depending on the legal issues facing the Debtors. Greenberg Traurig's hourly billing rates may change from time to time in accordance with Greenberg Traurig's established billing practices and procedures. Greenberg Traurig will maintain detailed, contemporaneous records of time spent, as well as any actual and necessary expenses incurred, in connection with the rendering of the legal services described above by category and nature of the services rendered.

³ In connection with the preparation of the Application, including this Declaration, and the preparation and filing of all fee applications with the Court, Greenberg Traurig intends to seek (i) compensation for services rendered based upon standard and customary hourly billing rates in effect at the time services were rendered and (ii) reimbursement of actual, necessary and documented out-of-pocket expenses.

11. From and after the Effective Date, Greenberg Traurig intends to apply to the Court for payment of compensation and reimbursement of expenses in accordance with the procedures set forth in the applicable provisions of section 330 of the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, the fee and expense guidelines established by the United States Trustee (the “**United States Trustee Guidelines**”) (collectively, the “**Fee Guidelines**”), the Order to Establish Procedures for Interim Monthly Compensation and Reimbursement of Expenses of Professionals entered on August 2, 2012 [ECF No. 262] (the “**Interim Compensation Order**”) and any other applicable orders of this Court. Greenberg Traurig has agreed not to share with any person or firm the compensation to be paid for professional services rendered in connection with the chapter 11 cases, other than as permitted pursuant to section 504 of the Bankruptcy Code.

12. In connection with the reimbursement of reasonable and necessary expenses, it is Greenberg Traurig’s policy to charge its clients for certain expenses incurred in connection with providing certain client services, including travel, lodging, photocopying, postage, vendor charges, delivery service and other expenses incurred in providing professional services. Greenberg Traurig intends to seek reimbursement for expenses incurred in connection with the representation of the Debtors in accordance with Greenberg Traurig’s policy, subject to modification as may be required by the Fee Guidelines, the Interim Compensation Order and any other applicable orders of this Court. Greenberg Traurig understands that interim and final fee awards are subject to approval by this Court.

Greenberg Traurig’s Connections

13. To the best of my knowledge and information after due inquiry, other than in connection with these chapter 11 cases and in prior representations of the Debtors,

Greenberg Traurig does not represent or hold any interest adverse to the Debtors or to the estates with respect to the Retained Matters on which Greenberg Traurig is to be employed, except for *de minimis* amounts owed by the Debtors for prepetition services rendered by Greenberg Traurig totaling approximately \$58,251.13; Greenberg Traurig does not have any connection with, and has not represented in the past, the United States Trustee for the Eastern District of Missouri, or any person employed by the Office of the United States Trustee for the Eastern District of Missouri; and is not connected with the Honorable Kathy A. Surratt-States approving this Application. Greenberg Traurig does not have any connection with the Debtors' creditors, any other party in interest, or its respective attorneys and accountants, except as set forth below:

- a. Greenberg Traurig has approximately 1,800 attorneys and many other employees. It is possible that certain Greenberg Traurig attorneys or employees hold interests in mutual funds or other investment vehicles that may own the Debtors' securities;
- b. From time to time, Greenberg Traurig has referred matters to some of the Debtors' professionals to be retained in these chapter 11 cases. Likewise, certain of the Debtors' professionals have referred matters to Greenberg Traurig; and
- c. From time to time, Greenberg Traurig likely has represented, and likely will continue to represent, certain creditors of the Debtors and other parties actually or potentially adverse to the Debtors in matters unrelated to the Debtors or these cases. Greenberg Traurig has undertaken a detailed search to determine whether it represents or has represented any significant creditors, equity security holders, insiders or other parties in interest in such unrelated matters, and all such known representations within the last three (3) years are described in Schedule 2, attached to the Declaration. Due to the breadth of Greenberg Traurig's client base, the firm is not subject to undue influence of any single client.

14. Greenberg Traurig performed the following actions to determine whether Greenberg Traurig or any of its attorneys has any connections with, has in the past represented, or is currently representing potential parties in interest in these cases:

- a. A list of interested parties (the “**Interested Parties**”) was created by the Debtors and provided to Greenberg Traurig;
- b. Greenberg Traurig compared each of the Interested Parties to the names that Greenberg Traurig maintains in its master client database created from its conflict clearance and billing records. Greenberg Traurig’s client database includes: (i) the name of each current or former client; (ii) the names of any entities materially related to, or materially adverse to, such current or former client; (iii) the names of the Greenberg Traurig attorneys responsible for such current or former clients; (iv) the status of the matter as either “active” or “inactive”; and (v) the dates on which the matter was opened and/or closed and the date the last time entry was entered; and
- c. Any matches between the Interested Parties and the entities in Greenberg Traurig’s client database were identified, reviewed by an attorney and compiled for purposes of the Declaration. To the extent that Greenberg Traurig currently represents, or has represented within the last three (3) years, any of the Interested Parties, the identities of such entities are set forth in *Schedule 2*, attached hereto. In determining whether a client is presently represented by Greenberg Traurig, Greenberg Traurig attorneys relied on the existence of an “active” notation on the report to reflect current representation. With respect to matters showing as “inactive”, Greenberg Traurig relied on the “close date” to determine whether the representation occurred within the past three (3) years and/or the date the last time entry was entered. If an “inactive” matter opened prior to April 22, 2010 showed no “close date” and no time entered within the past three years, Greenberg Traurig assumed for purposes of this disclosure that the matter was inactive during the past three years and did not include the client on Schedule 2 attached to the Declaration. If an “inactive” matter opened on or after April 22, 2010, but showed no “close date,” the client is included on Schedule 2, attached hereto.

15. Greenberg Traurig intends to conduct an ongoing review of matters it is handling to ensure that no disqualifying circumstances have arisen, and, if any new facts or relationships that Greenberg Traurig believes should be disclosed to this Court and the parties in interest in these cases are discovered, Greenberg Traurig will file a supplemental disclosure with the Court and serve such supplemental disclosure on the U.S. Trustee. If any new material, relevant facts or relationships are discovered between review periods, Greenberg Traurig will promptly file a supplemental disclosure with the Court and serve such

supplemental disclosure on the U.S. Trustee.

16. Based upon the foregoing and information available to me at this time, to the best of my knowledge, information, and belief, Greenberg Traurig represents no interest or holds any interest adverse to the Debtors or their estates with respect to the Retained Matters on which Greenberg Traurig is to be employed consistent with section 327(e) of the Bankruptcy Code.

[Remainder of Page Intentionally Left Blank]

Pursuant to 28 U.S.C. section 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.
