**Case No. 12-51502-659
(Jointly Administered)**

Related to Docket No. 4779

**CONSENT ORDER REGARDING DEBTORS'
TWENTY-FIRST OMNIBUS OBJECTION TO CLAIMS**

On October 11, 2013, Patriot Coal Corporation and its affiliates (the “Debtors” or the “Reorganized Debtors”) filed their Twenty-First Omnibus Objection to Claims (Clear Fork Water Supply Claims) (the “Objection”) [Docket No. 4779], by which the Debtors objected to the 28 claims identified on Exhibit A hereto (the “Claims”). Capitalized terms not defined herein have the meanings set forth in the Objection.

The parties asserting the Claims (the “Claimants”) desire to withdraw the Claims, without prejudice as to any other rights or remedies that they may have or claim to have. Pursuant to Federal Rule of Bankruptcy Procedure 3006, withdrawal of a claim after the filing of an objection requires an order of the Court after a hearing on notice to the Reorganized Debtors and any committee of unsecured creditors. By this order, the Reorganized Debtors consent to the withdrawal of the Claims by the Claimants but reserve their rights regarding the Claimants’ assertion that the withdrawal is without prejudice to other rights or remedies.

Accordingly, it is hereby ORDERED as follows:

1. The Claims are hereby deemed WITHDRAWN.
2. The Objection is OVERRULED as moot.

3. The rights of the Claimants and the Reorganized Debtors with respect to the following issues are hereby reserved, and such issues may be adjudicated by any court of competent jurisdiction:

(a) the effect of the withdrawal of the Claims on any other rights or remedies that the Claimants may have or claim to have; and

(b) the effect of the discharge of the debts of the Debtors on any other rights or remedies that the Claimants may have or claim to have.

4. Pursuant to Federal Rule of Bankruptcy Procedure 3006, any acceptance or rejection by the Claimants of the Debtors' Fourth Amended Joint Plan of Reorganization is deemed withdrawn.

5. The Clerk of the Court and the Debtors' claims agent are hereby directed to reflect the withdrawal of the Claims in their respective records.
