This agreement (the "Agreement") is entered into between Bob Greenwell's Mechanical Service ("Assignor") and Sierra Liquidity Fund, LLC or assignee ("Assignee") with regard to the following matters:

1. Assignor in consideration of the sum of _____ of the current amount outstanding on the Assignor's administrative expense 503(b)(9) claim (the "Purchase Price"), does hereby transfer to Assignee all of the Assignor's right, title and interest in and to all of the claims of Assignor, including the right to amounts owed under any executory contract and any respective cure amount related to the potential assumption and cure of such a contract (the "Claim"), against Patriot Coal Corporation *et al.* (affiliates, subsidiaries and other related debtors) (the "Debtor"), in proceedings for reorganization (the "Proceedings") in the United States Bankruptcy Court Southern District of New York, in the current amount of not less than: \$566,94 [insert the amount due, which shall be defined as "the Claim Amount"], and all rights and benefits of the Assignor relating to the Claim including, without limitation, Assignor's rights to receive interest, penalties and fees, if any, which may be paid with respect to the Claim, and all cash, securities, instruments, cure payments, and other property which may be paid or issued by the Debtor in satisfaction of the Claim, right to litigate, receive litigation proceeds and any and all voting rights related to the Claim. The Claim is based on amounts owed to Assignor by Debtor as set forth below and this assignment is an absolute and unconditional assignment of ownership of the Claim, and shall not be deemed to create a security interest.
2. Assignor represents and warrants that the entire Claim Amount listed above is a valid administrative expense priority claim under Bankruptcy Code Section 503(b)(9) as a result of goods delivered to and received by the Debtor in the ordinary course of business and within twenty days prior to the petition date of July 9, 2012 (specifically June 20, 2012 thru July 8, 2012) and for which the Debtor has not paid.
3. Assignee shall be entitled to all distributions made by the Debtor on account of the Claim, even distributions made and attributable to the Claim being allowed in the Debtor's case, in an amount in excess of the Claim Amount. Assignor represents and warrants that the amount of the Claim is not less than the Claim Amount, that this amount is the true and correct amount owed by the Debtor to the Assignor, and that no valid defense or right of set-off to the Claim exists.
4. Assignor further represents and warrants that no payment has been received by Assignor or by any third party claiming through Assignor, in full or partial satisfaction of the Claim, that Assignor has not previously assigned, sold or pledged the Claim, in whole or in part, to any third party, that Assignor owns and has title to the Claim free and clear of any and all liens, security interests or encumbrances of any kind or nature whatsoever, and that there are no offsets or defenses that have been or may be asserted by or on behalf of the Debtor or any other party to reduce the amount of the Claim or to impair its value.
5. Should it be determined that any transfer by the Debtor to the Assignor is or could have been avoided as a preferential payment, Assignor shall repay such transfer to the Debtor in a timely manner. Should Assignor fail to repay such transfer to the Debtor, then Assignee, solely at its own option, shall be entitled to make said payment on account of the avoided transfer, and the Assignor shall indemnify the Assignee for any amounts paid to the Debtor. To the extent necessary, Assignor grants to Assignee a Power of Attorney whereby the Assignee is authorized at Assignee's own expense to defend against all avoidance actions, preferential payment suits, and fraudulent conveyance actions for the benefit of the Assignor and the Assignee; however Assignee has no obligation to defend against such actions. If the Bar Date for filing a Proof of Claim has passed, Assignee reserves the right, but not the obligation, to purchase the Trade Claim for the amount published in the Schedule F.
6. Assignor is aware that the purchase price may differ from the amount ultimately distributed in the Proceedings with respect to the Claim. such amount may not be absolutely determined until entry of a final order confirming a plan of reorganization. Assignor acknowledges that, except as set forth in this agreement, neither Assignee nor any agent or representative of Assignee has made any representation whatsoever to Assignor regarding the status of the Proceedings, the condition of the Debtor (financial or otherwise), any other matter relating to the proceedings, the Debtor, or the likelihood of recovery of the Claim. Assignor represents that it has adequate information concerning the business and financial condition of the Debtor and the status of the Proceedings to make an informed decision regarding its sale of the Claim.
7. In the event that the Proceedings are converted from a Chapter 11 reorganization to a Chapter 7 liquidation, Assignor agrees to immediately refund and pay to Assignee a pro-rata share of the Purchase Price equal to the ratio of any amount of the Claim that remains unpaid by the Debtor divided by the Claim, plus 8% interest per annum from the date of this Agreement. Additionally, in the event that the Claim is reclassified to not be a valid administrative expense priority claim under Bankruptcy Code Section 503(b)(9), disallowed, reduced, subordinated or impaired for any reason whatsoever, Assignor agrees to immediately refund and pay to Assignee, a pro-rata share of the Purchase Price equal to the ratio of the amount of the Claim reclassified, disallowed, subordinated, or impaired divided by the Claim, plus 8% interest per annum from the date of this Agreement. The Assignee, as set forth below, shall have no obligation to otherwise defend the Claim, and the refund obligation of the Assignor pursuant to this section shall be absolutely payable to Assignee without regard to whether Assignee defends the Claim. The Assignee or Assignor shall have the right to defend the claim, only at its own expense and shall not look to the counterparty for any reimbursement for legal expenses.
8. To the extent that it may be required by applicable law, Assignor hereby irrevocably appoints Assignee or James S. Riley as its true and lawful attorney, as the true and lawful agent and special attorneys-in-fact of the Assignor with respect to the Claim, with full power of substitution (such

power of attorney being deemed to be irrevocable. Assignor authorizes Assignee or James S. Assignee shall have no obligation to take any action to prove or defend the Claim's validity or amount in the Proceedings or in any other dispute arising out of or relating to the Claim, whether or not suit or other proceedings are commenced, and whether in mediation, arbitration, at trial, on appeal, or in administrative proceedings. Assignor agrees to take such reasonable further action, as may be necessary or desirable to effect the Assignment of the Claim and any payments or distributions on account of the Claim to Assignee including, without limitation, the execution of appropriate transfer powers, corporate resolutions and consents.
