

Judge Chapman

I am a 69 year old man 100% disabled by a back injury, in 1997 Oct 14, I was a third shift Belt Installer unit worker at Martwick Mine for Peabody Coal Co. I was unloading a piece of Belt rollers out of a swap bucket when I was injured, I had to have a surgery for what was called a Three Tier dis removal, I have 8 1/2 in long bolts, three straps and six screws and I don't know how many Bone Tracer I was in a brace for 4 mo. I am doing a lot of walking when I can.

I had to have Cancer removed and Prostate in 2006, and was very lucky so far.

I had to have my traight and esogust work on in my stomach lifted in 2007 I have had trouble with that all my life, take medicine all time.

I worked for Peabody Coal for 40 years my record was clear until my Back Injury I was a union Vice Pres. local 1429, a local union rep at River Queen, Martwick, L M P C P rep when injured
