

Your Honor

My name is Jerry Nally I worked for 29 3/4 yrs. for Peabody Coal Camp 1 in Union County Ky. The last 6 months were for Highland Mining part of the same mine, now Patriot.

I have 4th ~~Stage~~ Stage Lung Cancer and am still getting Chemo for I don't know how long. I also have COPD & diabetes.

My wife of 40 yrs is a diabetic on insulin several times daily along with several other health problems and is once walker most all the time. To lose our health care would be almost life threatening for us. We were always told by the company that we would have health care for life. Both of us will soon be 63 yrs old.

I urge you to consider the many people like us in your ~~to~~ ruling

Thank you  
For your consideration  
Jerry Nally
